Device Agreement

- One device, with charging adapter, is being provided to the student in excellent working order.
- Students may not alter the device or charging equipment in any way. For example, students may not write on or place stickers on any of the Tangipahoa Parish School System loaned equipment.
- The device and charger are the property of Tangipahoa Parish School System and are loaned to the student for educational purposes only for the academic school year. The student may not deface or destroy property in any way. Inappropriate use of the device may result in the student losing his or her right to use the device. The equipment must be returned when requested by Tangipahoa Parish School System, or if the student withdraws from a Tangipahoa Parish School prior to the end of the school year.
- The device may be used by the student only for non-commercial purposes, in accordance with the district's policies, rules, and the district's Technology Acceptable Use Policy, as well as, local, state, and federal statutes.
- One user with specific privileges and capabilities has been set up on the device for the exclusive use of the student to which the device has been assigned. The student may not change or allow others to change the privileges and capabilities of the user's account.
- The student should not attempt to add, delete access, or modify other users' accounts on the device.
- The device has identification labels on it. These identification labels should not be altered, removed, or modified in any way. Removing these labels results in total loss of the device; therefore, you will be charged for the device.
- The student acknowledges and agrees that the use of the device is a privilege and that by agreeing to the terms hereof, the student acknowledges his/her responsibility to protect and safeguard the device and to return it in the same excellent condition that it was received.
- In the event that the device and/or charger is damaged, lost or stolen, the parent/guardian is responsible for the cost to replace the equipment. The cost for each device is listed at the end of the agreement.
- The district has the ability to track the location of each device and remotely control access to each device. In the event of theft or loss, it is very important to notify a school administrator immediately.

Parent/Guardian Responsibilities

Your child has been issued technology equipment owned by the Tangipahoa Parish School System to improve and personalize his or her education. It is essential that the following guidelines be enforced to ensure the safe, secure, and ethical use of the technology equipment. Therefore the parent agrees to:
