# BE**INVOLVED** + 🔴 TeamReach.

TeamReach is designed to simplify life for everyone involved. Parents can communicate with each other in seconds by joining their Grade-Level Group. TeamReach will be the central place for all PTC parent-related communications in real-time—eliminating the need for phone calls, emails and handouts. Before you download the app and join, please read the details below:

- At least one parent/guardian per family is strongly encouraged to sign-up. There is no limit on how many parents/guardians can join.
- To ensure this method of communication is successful, we encourage you to turn on your notifications, so that you receive updates in real time.
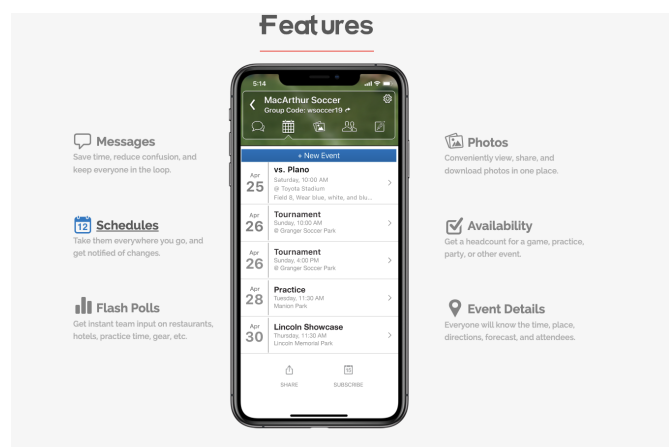

Download TeamReach App Instructions:

1. TeamReach is free and can be downloaded on your mobile from the App Store or Google Play.
2. Once you've downloaded the app, enter your child's **Grade-Level Group Code** (these can be found at the bottom of these instructions) as shown in the photo below.
   Note: *If you have more than one student, you'll join each group separately.*
