

Information on Applying for an Out of HSD Boundary Transfer

Choice Transfers (out of district boundary exceptions) are required for all students who live in Hockinson school district but want to attend school in another school district; including public online schools.

- **NOTE CHANGE:** HSD is now using the online transfer process that the State has created for Washington school districts. This system makes the choice transfer request application more convenient for parents/guardians; and is the **fastest** and easiest way to submit a Choice Transfer request.
