**2020 - 2021 AGENDA PRIORITIES**

When topics, initiatives, programs and services are brought to the committee, the committee desires to review the information using the following three lenses:

- Achievement gap
- Student, parent and community engagement
- Open, two-way communication.

To engage in inquiry around these three lenses, the committee will utilize the guiding questions below:

- In what ways does this program, initiative, or service help close our **achievement gap**?
- In what ways are **students, parents and community members engaged** in this program, initiative, or service?
- What opportunities exist for open, transparent, two-way **communication** that allows for student, parent, and community input regarding the program, initiative or service?
