Lunch update for the school year of 2023-2024:

Whitmer has approved the proposal to offer free meals to all students this school year. Additionally, we have made the decision to return back to MySchoolBucks as our meal payment portal. That said, MySchoolBucks should be in effect soon. When it is up and ready we will send out a flier on details. Funds already deposited to SchoolPay will automatically be transferred to MySchoolBucks. Parents do not need to do anything to get these balances transferred over; SchoolPay has already taken care of this. Any parent who has a previous account with MySchoolBucks does not need to set up a new one; they should be able to access their old account. Anyone who does not have a current account with MySchoolBucks will need to create one, if they wish to deposit funds via the website.

We'll work with technology to put the new information on our department webpage, adding direct links to MySchoolBucks for parents.

Although meals are free this year, we still plan to utilize the POS machines. Students will be able to deposit funds to their account to purchase snack items, extra entrees, etc. We are asking you to please encourage students to use their ID cards. Speed of service was our main complaint last year and we can definitely relieve this issue if all students have ID cards.

More details will be out soon.

ATTENDANCE

[as found in Chapter 2 of the Code of Student Conduct]

Philosophical Basis:

There is a direct correlation between academic achievement and regular, prompt attendance. Frequent absences, excused or unexcused, or tardiness in a class may seriously affect a student's progress and credit for that class. School administrators have the responsibility under state law to enforce compulsory school attendance laws and to enforce the attendance policy of the Troy Board of Education. Students enrolled in the Troy School District have the responsibility to attend school as required under state law and to adhere to the attendance policy of the Troy Board of Education.

Parents are expected to notify the school the day of an absence regarding illness or personal and family problems that may have an effect on attendance. Every effort should be made to schedule outside appointments after school hours. Family vacations should be planned during holidays outlined on the school calendar. Parents should discuss the importance of good attendance with their student to avoid loss of credit due to violations of the attendance policy.

Rights -- students have the right to:

- Receive school policies that clearly define absence, unexcused absence, and tardiness.
- Appeal a decision concerning an absence (excused or unexcused.)
- Leave school property after they have received authorized permission.

Responsibilities -- students have the responsibility to:

- Attend all classes daily and on time.
- Have parents verbally notify the school of the student's absence, in accordance with the attendance policy.
- Remain on school premises in accordance with building policy, unless excused.
- Confirm they have possessed authorization to leave the educational setting/campus.

Please be advised that persistent absences from school may result in a referral to Probate Court and/or Michigan Department of Health and Human Services as a violation of the truancy law and/or educational neglect.

HIGH SCHOOL PROCEDURES

Consistent attendance procedures shall be in place for Troy's high school students due to the importance of attendance in credit-bearing courses required for graduation. Students are expected to attend class regularly in order to successfully meet the graduation requirements of the State of Michigan Merit Curriculum and the Troy School District.

Tardiness – Students are encouraged to be in class and on time regularly. Students who arrive within five minutes after the start of class will be marked tardy to the class. Students who arrive later than five minutes will receive an absence. Students are afforded 3 tardies per class per secondary marking period without penalty. Subsequent tardies in any specific class will prompt the assignment of a detention. Ongoing tardiness in the same class shall cause the issuance of additional detentions or a suspension for the student.

Absences – Students are encouraged to attend class on a regular basis. Students are afforded 9 absences per class per semester without penalty including both excused and unexcused absences. Absences exempted from this policy might be for reasons including mandatory court appearance, chronic/serious illness, religious holiday, school suspension, family bereavement, school-sponsored field trip/activity, or other reasons approved by a building administrator. Students should work with their assigned building

administrator to ensure that attendance records are accurate. The student maintains the responsibility for communicating with the school about the nature of any absences and providing all necessary documentation for absences of a specialized nature. Furthermore, any documentation substantiating special absences from school should be provided to a school administrator in a timely fashion following the absences.

For an absence to be excused, a parent must call the attendance office to notify the school of the absence within 24 hours of the absence. Family trips or long-term absences must be prearranged one week in advance of the first absence in the term through the submission of an Extended Absence form available in each school's main office. This will allow students to receive assignments in advance of the absence when possible and notify the school ahead of any extended time away from school.

Students will be automatically notified of their class attendance status at the 5, 7 and 9 absence point in any semester. Letters will be issued by the high school that include the course name, total number of absences, and the absence designation as excused or unexcused for each absence.

Students accumulating 10 or more absences per class per semester will not receive credit for enrollment in the course. At the conclusion of the semester the student will receive an 'H' mark (no credit-no grade) in the class if passing at course end. If not passing, the student will receive a failing mark. In both cases, students will need to retake the course and satisfy academic requirements to earn credit for the course. The student shall remain in the class for the remainder of the semester. During the remainder of the class, if a student continues to have attendance problems or proves disruptive, the student will be disciplined in accordance with the procedures outlined in Chapter 10 of the Code of Conduct.

School-sponsored activities are not considered absences. This includes field trips, athletic trips, counselor appointments, student government meetings, etc. Work assigned prior to a student attending a school-sponsored activity is due the day the student returns to school. While absent on a school-sponsored activity, students shall have the number of days missed following their return to complete missed work. Troy School District staff and students are encouraged to work together collaboratively to ensure that missed work is completed in a reasonable timeframe that does not place an undue burden on a student related to a school-sponsored absence from class/school. Teachers are encouraged to work productively with students and parents to ensure that student work is completed without causing unnecessary stress or harm to the student.

Loss of credit due to attendance or other consequences related to a student's attendance challenges may be appealed to the building principal. The decision of the principal is final in all attendance matters.

STUDENT DRESS [as found in Chapter 1 of the Code of Student Conduct]

Philosophical Basis:

The dress of students shall contribute to the health and safety of the individual and shall not disrupt the orderly educational process.

Rights -- students have the right to:

- Dress in a manner which reflects their individualism, family background, and unique personality.

Responsibilities -- students have the responsibility to:

- Dress in a manner which does not disrupt the educational process nor endanger the health and safety of themselves or others.
- Wear shoes and shirts at all times. Hats and headwear may not be worn during normal school hours, except for religious reasons.

It is recognized that individual schools may modify the dress code guidelines within their building. Specific guidelines for dress codes are set forth in building student handbooks and promoted on school websites (see Chapter 10 for additional information).

Inappropriate Dress [as found in Chapter 10 of the Code of Student Conduct]

As we prepare our students for the world of work and promote learning in the school environment, students are expected to dress in compliance with the following guidelines:

- No bare midriffs are permitted. Shirts and tops must meet the waist line of jeans, pants, skirts or shorts (the "bottom of the top" should remain in contact with the "top of the bottom").
- No backless or strapless tops are allowed.
- No see-through or otherwise revealing clothing is allowed.
- Shoes must be worn at all times.
- Jeans, pants, skirts or shorts must provide adequate coverage and be of reasonable length.
- Tops and bottoms must conceal all undergarments.
- Non-prescription sunglasses should not be worn in the school environment.
- Chains, handcuffs, and other metal paraphernalia on clothing are prohibited.
- Hats, bandanas, hoods and other head coverings are not to be worn in school.
- Clothing must not display inappropriate slogans and/or graphics including those related to or depicting behavior prohibited in the Code of Conduct.

Important Safety Reminder

Morning Drop-Off Procedures

Please review these important safety procedures regarding drop-off procedures. Please drop-off your student only at the designated drop-off areas. Please do not drop off your student in a street. Our students' safety is most important!

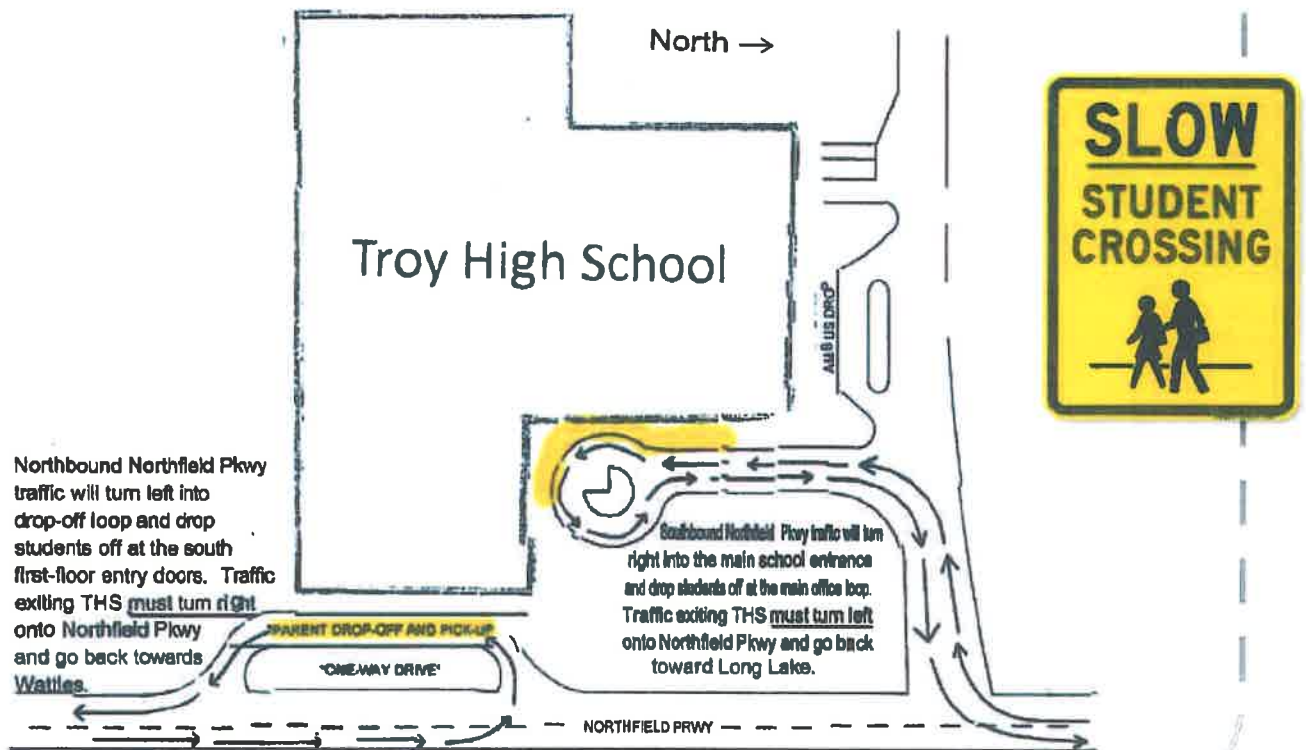

Parents use two drop-off loops heading into THS. Here are the specific procedures:

Drop-off #1 (North) Southbound Northfield Parkway traffic will turn right into the main school entrance and drop students off at the main office circle loop. Traffic exiting THS must turn left onto Northfield Parkway and go back toward Long Lake. We are expecting all southbound drop-offs to use this loop exclusively.

Drop-off #2 (South) Northbound Northfield Parkway traffic will turn left into the drop-off loop and drop students off at the south first-floor entry doors. Traffic exiting THS must turn right onto Northfield Parkway and go back toward Wattles. We are expecting all northbound drop-offs to use this loop exclusively.

Parents should NOT use the Long Lake entrance to THS as that entrance is to be used exclusively by student drivers parking in the student lots.

Please consult the site map below with directions and summary of instructions. Thanks for your assistance with the transportation plan on the THS campus.

VOLUNTEER GUIDELINES

The Troy School District values those who volunteer in our classrooms and schools. Dear Parents/Guardians:

Troy School District is not responsible for any accidental injuries that occur to students while under the school's supervision or participating in interscholastic sports.

Our School District has partnered with Student Assurance Services to give families the opportunity to purchase accident insurance for their student(s). Reasons to consider coverage for your student:

IT IS NOT THE INTENT OF THE POLICY TO PROVIDE BENEFITS FOR AN EXISTING MEDICAL PROBLEM. A re-injury will not be covered if the insured has received treatment within a period of 180 days prior to the effective date of the policy. (In OH, this provision does not apply)

This is accidental bodily injury insurance; it covers accidental bodily injury occurring while the coverage is in force. Medical illnesses such as ear infections or sore throats are not covered.

Interscholastic sports coverage expires on the last day of the authorized season of the current school year. School-Time and Full-Time coverage expires on the first day of school next year.

- 2. Parents complete Part B of the claim form. **Answer all questions.**

The other insurance plan will send a report called an Explanation of Benefits (EOB). This plan is supplemental to all other valid coverage. The claim must be filed with the other coverage first! (Coverage is excess in KS, primary in MT and NC after deductible, and in ID, IL.) This Plan **DOES NOT** cover penalties imposed for failure to use providers preferred or designated by the primary coverage. (In KS, penalty does not apply)
- 4. Send the completed claim form, copies of student's itemized bills and EOB to:
STUDENT ASSURANCE SERVICES, INC.

The policy is responsible only for expenses incurred within one year. (In NC, itemized bills must be submitted within 180 days from the date of treatment, not to exceed one year)

This provides a very brief description of some of the important features of the insurance policy. It is not the insurance policy and does not represent it. A full explanation of benefits, exceptions and limitations is contained in the Group Accident Insurance Policy Form GA-2200Ed.11-16 (and any state specific), and any applicable endorsement(s). This policy is considered term accident insurance (except in ID) and is non-renewable. This product may not be available in all states and is subject to individual state regulations. The Master Policy is issued to the School District/School. A copy of the Privacy Notice and Certificate of Coverage (where applicable) may be obtained on the website www.sas-mn.com.
