## Child Nutrition Newsletter

### August 2023

## What's New in the Cafeteria?

Welcome to your monthly newsletter from Chartwells. We are your cafeteria team and your partners in child nutrition. We are looking forward to *serving up happy and healthy* throughout the district with nutritious meals and fun activities. We will be sharing good news from our cafeterias with you each month through our newsletter.

## Meet the Team!

At the heart of Chartwells is a strong team of motivated, caring, and conscientious individuals who are dedicated to ensuring Hillsboro School's students leave the cafeteria happier and healthier than they came in. Each of our associates are dedicated to ensuring students leave the cafeteria happier and healthier than they came in. We all have the same goal – delivering the best food service possible. Meet some of our new team members from across the district.

After a much-needed break, WERE BACK and ready to serve.

## Introducing Discovery Kitchen

Each month, we introduce a new Discovery Kitchen theme, featuring nutrition lessons, hands-on events and culinary demonstrations. These themes are designed to bring a fun and inspiring sense of food discovery to our students and school community.

September is Power Up month in the cafes where we'll be engaging students with delicious recipes, and informative nutrition education.

Bring on Breakfast adds excitement to the beginning of the school day by offering delicious food that fuels the day. Look for special days coming in September.
