# BOARD MEETING HIGHLIGHTS

## WESTMINSTER SCHOOL DISTRICT

### **New Trustee for Area 2**

Trustee Gurney was appointed to the Board of Trustees. She recently retired as an elementary school teacher after serving 30 years in the Garden Grove Unified School District. During those decades, Trustee Gurney served in many educational roles including Trainer for math and Thinking Maps, Writing and New Teacher mentor, Peer Assistance and Review Coach, Grade Level Chair, and Faculty Advisory Committee member. As an education advocate, she served many years as President of the Garden Grove Education Association (GGEA), GGEA Elementary Segment Director, CTA State Council Delegate, NEA Delegate to the Representative Assembly, Communications and Organizing Chair on the Orange Service Center Council and as member of the Teachers for Local Control PAC.

### **Textbooks and Instructional Materials**

The Board held an open hearing and invited public testimony on the sufficiency of textbooks and instructional materials. Resolution #20-21-04 was adopted and declared that sufficient textbooks and instructional materials are being provided to each student consistent with the curriculum frameworks adopted by the State Board.

### **Safety for Students and Staff**

The Board has approved for the District to purchase of 760 air purifier units. These HEPA purifiers will be placed throughout all school sites and the District Office. Improving the air quality at our school facilities is instrumental in providing a safe and healthy learning environment.
