BOARD MEETING HIGHLIGHTS

WESTMINSTER SCHOOL DISTRICT

Measure T Update

An update on the progress of projects under Measure T was presented to the Board. During the current construction phase, the Fryberger Elementary HVAC project will be completed by February, 2021. And, the constructions of HVAC at Hayden and Meairs Elementary schools are expected to begin in May, 2021.

"Safe Schools for All" Plan

The Board received a COVID-19 update via the Governor Newsom's plan for "Safe Schools for All". The new plan allows schools to open for when infection rates fall below 28 per 100,000 population per day. The current requirement that schools can initially open only when infection rates drop to 7 per 100,000 population per day and remain there for two weeks in order to qualify for the Red Tier under the State's "Blueprint for a Safer Economy". Other key parts of the presentation were: California and Orange County's vaccination plan, WSD Dashboard, and staffing information.
