

## Kingsford Middle School and Kingsford High School COVID-19 School-Based Close Contact Quarantine Waiver

---

Breitung Township Schools Covid-19 Operations Plan allows students at Kingsford Middle School (Grades 5-8) and Kingsford High School (Grades 9-12) to remain in school and school activities provided a parent/guardian agrees to a periodic rapid COVID-19 test for the student and the student shows no symptoms of illness. Our schools will continue to contact trace and notify parents/guardians if their student is a close contact of a confirmed case of COVID-19 at school.

**By signing below, I agree to the following for my KMS/KHS student:**

I agree to receive a periodic COVID-19 rapid test in lieu of being quarantined.

If I exhibit any symptoms of COVID-19, I will notify the school and quarantine as expected.

If I test positive for COVID-19, I will notify the school and quarantine as expected.

**We only need ONE signed waiver on file for each student who is identified as a close contact. We will assume we have permission to test your child if they report to school after being identified as a close contact.**

I understand that failure to follow the above agreements will result in a school-based quarantine according to the Breitung Township Schools Covid-19 Operations Plan.
