DONATIONS

- During the COVID pandemic, the USDA used federal funds to provide free school lunches to all students. This federal subsidy ended in June 2022, and many families are now having difficulty covering the cost of student meals.
- Many generous individuals and community groups have asked about making donations to help under-resourced families pay for the cost of their students' lunches. Donations can be made in person at **501 N. 11th Avenue**. You can also call **406-522-6380** for more information, or to donate online. Thank you, Bozeman, for your generosity and concern for our families and students!
