

BOARD MEETING HIGHLIGHTS

WESTMINSTER SCHOOL DISTRICT

CLEGG STUDENTS PERFORM

Students from Clegg Elementary school showcased their hard work from their Project Lead the Way program. They are halfway through the year from implementing this a few months ago. The goal is to empower students to develop and apply in-demand transportable skills by exploring real-world challenges. Through their pathways in computer science, engineering, and biomedical science, students not only learn technical skills, but also learn to solve problems, think critically and creatively, communicate, and collaborate. PLTW also provides teachers with the training, resources, and support they need to engage students in real-world learning

HVAC MODERNIZATION FOR VARIOUS SCHOOL SITES

The Board of Trustees approved of the HVAC modernization and Interim housing for Anderson and DeMille Elementary. Previously, there was discussion about these schools receiving new air conditioning units. There will be more updates to come for other schools at future meetings. To take a look at the entire timeline for HVAC Modernization head to this [link](#).

REGULAR BOARD MEETING AND STUDY SESSIONS

The Board of Trustees agreed to add March 23 for a regular board meeting. During the January board meeting, there was discussion to hold various study sessions before a new superintendent arrives. There will be two upcoming study sessions the first is February 21 and the second one is on March 7.

Agenda items were approved.
