2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Mission: We have a moral imperative of ensuring equitable outcomes of college and career readiness in Alameda. Therefore, we must provide our students with an engaging, integrated curriculum, personalized learning opportunities, and an empowering school culture that supports the whole child.

Vision: All students will have exceptional 21st-century skills empowering them to be deep thinkers, positive, hard-working contributors, and leaders in our global community with readiness for any academic and career path.

Principal's Message

At Love Elementary School, we are privileged to have the opportunity to work with a richly diverse group of students and families. Our entire school community works together to ensure we maintain high expectations for student success by providing many opportunities to become successful learners. Through our diverse funding sources, we are able to provide students with a challenging and engaging curriculum, small-group instruction, and targeted academic intervention programs. Love Elementary welcomes all parents and community to partner with us as education partners in the classroom and parent leaders in our advisory groups such as School Site Council and English Learner Advisory Committee. Our Love Elementary PTA strengthens our art, garden, STEAM programs through various fundraising activities during the year from pancake breakfast Fall Festival, and Walk-a-Thon.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--|---------------|----------------|-----------------|------------------|--------------|---------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 25.30 | 92.01 | 448.70 | 83.21 | 228366.10 | 83.12 |
| Intern Credential Holders Properly Assigned | 1.00 | 3.63 | 9.40 | 1.75 | 4205.90 | 1.53 |

| Total Teaching Positions | 27.50 | 100.00 | 539.20 | 100.00 | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The Love Elementary School Changed its name in 2019, formally known as Haight Elementary School. The school was built in 1975 on a 3.26 acres site. The Building area is 53,569 sf. The school was modernized in summer of 2019 with adding a new front entrance door, rebuilt all four upstairs corner walls for energy efficient, a new water chiller, and HVAC units. The school is clean.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2020-21 | School 2021-22 | District 2020-21 | District 2021-22 | State 2020-21 | State 2021-22 |
|--|----------------|----------------|------------------|------------------|---------------|---------------|
| English Language Arts/Literacy (grades 3-8 and 11) | N/A | 52 | N/A | 65 | N/A | 47 |
| Mathematics (grades 3-8 and 11) | N/A | 42 | N/A | 53 | N/A | 33 |

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We believe in partnering with our families to create the best school for our students. Families have many opportunities to partner with the school based on parents' schedules and interests. Here are just some ways families can partner with us:

- Love Elementary School PTA
- English Learners Advisory Committee (ELAC)
- School Site Council (SSC)
- Love Elementary Dad's Club
- PTA Art Docent Program
- Classroom Volunteers

2021-22 Chronic Absenteeism by Student Group

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject | School 2019-20 | District 2019-20 | State 2019-20 |
|--------------------|----------------|------------------|---------------|
| Suspensions | 1.36 | 1.63 | 2.45 |
| Expulsions | 0.00 | 0.02 | 0.05 |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Our School Safety Plan has been updated and presented to the entire staff. The last updated and discussed with staff in August 2022. The plan includes procedures for all emergencies, including fire, earthquake, lockdown, shelter-in-place drills, and evacuation. Our emergency supplies have been updated with all necessary supplies in our classroom emergency bags. Staff is assigned to specific emergency-related jobs. We regularly practice fire, earthquake, and intruder drills as a staff and with students. Signs around the school direct all visitors to the office to sign in and receive a visitor's pass. Visitors are also required to sign out after completing their business. The principal, assistant principal, teachers, student support provider, and noon supervisors monitor the grounds in the mornings, at recess, and after school. Volunteers must apply and be screened by office staff before participating in school activities.

Professional Development

Love Elementary School's professional development is aligned to the following AUSD Priority Teacher Practices: a) Use protocols and phrases to interrupt conversations and actions that perpetuate inequity, b) Use grade-level priority standards, text, and tasks for all Tier1 instruction, c) Design frequent student talk opportunities that support meaning-making, critical thinking, writing and academic language practice in service of grade-level standards, and d) Build positive relationships with and among our students to create conditions for learning. Lastly, our other focus is on Anti-Racist Instruction.

There are different ways professional development is offered from site grade-level collaboration, across sites and central office. Site professional developments are scheduled during three minimum days for teacher collaboration and are supported by an on-site instructional coach. There are four full days of staff development days (Two in the Fall and two in the Spring). There are several ways teachers are supported in their professional growth during the year from working with the instructional coach, coaching from the assistant principal or principal, outside professional conferences and on-site Community of Practice

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject | 2020-21 | 2021-22 | 2022-23 |
|--|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 4 | 4 | 4 |
