

## **Non-AP World History Get Ahead Work**

For this class, you are required to have a classroom notebook. This notebook is dedicated only to this class. Your notebook should be a Five Star Subject College Ruled Spiral Notebook or an equivalent to it.

The following must be completed during the first week of school for 2023–2024.

We will cover this in class, but you should get a head start now.

**The following assignments are a review of what most students learned in Junior High.**

There will be a quiz that covers the map, vocab, and history content at the start of the 2nd week of school (8/21).
