Pathways to business

Forge a new path to a brighter future in this *selective* Business Program where you earn your High School Diploma while earning an Associate Degree. Apply as a sophomore to start your junior year.

Minimum Prerequisites

- 2.5 cumulative GPA
- "B" in all math and language arts courses
- Junior standing 2018-19
- 90% attendance rate at high school
- Completion of at least two years of credit in English and math (including Algebra I)
- College-level placement on the Accuplacer or ACT
- No high school disciplinary infractions
- Completion of health and physical education credits

Application Steps

- Obtain and complete application materials by visiting: www.zanestate.edu/programs/pathways-to-business.html
- Give the two recommendation forms to your teachers. One must be a math and/or English teacher.
- To ensure a complete application, submit all materials to your guidance counselor. Teachers must submit the recommendation forms directly to the guidance counselor. Ask your counselor to include your transcript. Submit all materials by April 2, 2018 to your guidance counselor.
- Submit your ACT scores or complete the Accuplacer assessment at Zane State College.
