COVID-19 Specific Information

Mid-East CTC will be taking the following precautions to make your students visit on campus as safe as possible in regards to the COVID-19 pandemic:

- Other than a minimum number of Mid-East student helpers in each lab, only students from your school will be on campus during tours.
- To the greatest extent possible, social distancing between Mid-East students and students from your school will be maintained.
- Any tools/equipment touched by students will be cleaned between uses.
- All staff and students will be required to wear masks at all times unless they are unable to do so due to industry standards or personal medical exemptions.

Why Choose Mid-East CTC?

- Gain a Competitive Advantage - Robust Academic Knowledge AND Powerful Technical Skills
- Remain connected to your partner school while advancing your knowledge in a chosen career field
- Earn College Credit and Industry Credentials from an experienced team of educators and industry experts
- Participate in Job Shadowing, Internships and Apprenticeships
- Receive a high school diploma from your partner school PLUS an ePortfolio and Certificate of Completion from Mid-East Career and Technology Center.
