All meal funds that are currently in SchoolPay will be automatically transferred to 'My School Bucks'.

'My School Bucks' has not been activated for The Troy School District yet. Please look for an email from Food Services before school starts regarding the change.

Student Insurance Information

Troy School District is not responsible for any accidental injuries that occur to students while under the school's supervision or participating in interscholastic sports. Our School District has partnered with Student Assurance Services to give families the opportunity to purchase accident insurance for their student(s). When enrolled, this coverage provides financial assistance with your out-of-pocket medical expenses should your student sustain an accidental bodily injury.

Reasons to consider coverage for your student:

1. Your primary health insurance has a high deductible – copay – coinsurance.
2. No other insurance on your student.
3. Your student participates in a sport where unexpected injuries commonly occur.
