

Preschool Classroom Communications 2023-2024 School Year

Monthly

You will receive a monthly calendar reflecting your child's preschool classroom. On this calendar, you will find weekly themes, co-curricular schedules, and events at Harbor. Your child's teacher will send home their calendar in your child's backpack at the beginning of each month.

Weekly

Parents will receive a weekly newsletter about the curriculum taught within their child's preschool classroom. The newsletter is intended to keep our parents updated with what is happening within Preschool. It will be emailed from your child's teacher every Monday afternoon and included in the Tuesday weekly update.

Please note that not all of the activities the teachers complete will be listed in the newsletter, as our teachers will also keep you informed through the Homeroom App. All pictures of activities inside and outside the classroom will be posted through the Homeroom App.

Homeroom App

The Homeroom App can be downloaded to any smart device. Our teachers use this to share snapshots of our school day. During the first week of school, your child's teacher will send you a link to join their private page. This album includes uploads of pictures, videos, and information about your child's preschool classroom. This is a private and secure album; only our preschool parents and Harbor Country Day School administration have access this page.
