

WELCOME

to Eden Prairie High School

EPHS is committed to inspiring EACH student every day! From the moment your learner enters our halls until they walk down the aisle in cap and gown, our goal is to ensure an excellent education that will help them achieve their life's dreams. Together with our outstanding staff and strong parent community, we guide our students to take ownership of their learning while exploring their interests and finding new passions. ***We welcome you to our EPHS family!***

Why do families love Eden Prairie Schools?

Outstanding parent approval

Our excellent teaching staff has a 98% approval rate among parents.

Unparalleled opportunities

We offer the largest variety of athletic, academic and artistic options in the state.

Top-rated school district

Eden Prairie Schools earned the highest-possible rating of "A+" from *Niche.com*.

Inspiring each student every day™

The EPHS DIFFERENCE

Relationships-Based Community

Each student at EPHS enters an environment of respect and belonging that embraces cultural and ideological differences and fosters lifelong friendships. Our commitment to providing a safe, nurturing environment helps develop our students into outstanding community members who learn from each other and are prepared for the ever-changing world that awaits them after high school.

What do parents have to say?

"EPHS has provided wonderful opportunities to guide my daughter in her passions and given her the opportunity to think about her future education past high school. I no longer have to push her to work hard and do her best, because she wants to! We've been so blessed by the teachers who have encouraged her to follow her dreams."

-Elle Puett, Parent

Academic Excellence

As a top district in the state, our test scores are consistently above the state average and are competitive with comparable districts. Our students make us proud every day by continuously achieving amazing results in ACT and SAT tests; National Merit Scholar recognition; math, science, and music competitions; and many more areas of academics.

High Engagement in Co-Curricular Activities

From athletics and the arts to student clubs and organizations, there are exciting opportunities for each student to explore their passions. The clubs and activities offered reflect the voices and interests of our students. Learn more about the variety of activities available to your student at edenpr.org/Activities.

At Eden Prairie High School, we're full of Eagle Pride!

EPHS is a wonderful place for students, staff and families. What makes us an excellent school?

- **EACH student is known at EPHS:** We offer big-school opportunities alongside a small-school experience by getting to know each student and making personal connections to help them thrive.
- **Excellent course offerings:** Our variety of challenging courses allows students to explore their interests and consistently progress at a pace that is right for each individual. In career-area Pathways courses, students can prepare for jobs and college classes in areas like Business Management, Health Science, Finance, Communications and Manufacturing.
- **College credit in high school:** In our large variety of Advanced Placement (AP), College in the Schools (CIS) and Postsecondary Enrollment Options (PSEO) courses, students dive deeper into areas of interest and earn college credit while in high school.
- **State's largest variety of athletics, arts and activities:** We're proud to offer the largest variety of activities in the state, including many championship-winning teams. We encourage students to become involved in extracurricular activities and find inspiration both inside and outside of the classroom.
- **National recognition:** Each year, Eden Prairie High School is recognized statewide and nationally for our academics, athletics and activity programs. Recent accolades have come from the College Board, The Washington Post, U.S. News & World Reports, Newsweek, the University of Minnesota, the Minnesota State High School League, NFL Network, CBS MaxPrep Sports, Niche.com, Star Tribune, and many others.
- **Safety is our priority:** Our supportive school culture among staff and students combined with our effective security measures provide a safe and positive learning environment for students.
- **Personalized Learning:** We believe each learner has unique talents and gifts. By personalizing learning, teachers work to nurture student strengths, while students are encouraged to take ownership of their learning and explore their interests and passions.
- **4Cs:** Our teaching practices emphasize the 4Cs: creativity, collaboration, critical thinking and communication. These are the skills essential for both career and citizenship.

Family Involvement

Eden Prairie High School partners regularly with parents to support teachers, augment programs and engage families to enrich the EPHS community. Parent organizations fund special events and programs throughout our school. All families are invited to volunteer in a variety of ways to serve EPHS students and staff. We encourage our families to be involved in their student's education; connect with us @EPPrincipal on Twitter and Instagram.
