RAL CLASS OF 2022

MIDDLE SCHOOL END OF THE YEAR WRAP-UP

The end of the year at Letchworth Middle School this year was fun and exciting. We had a color run instead of the mud run this year. The students ran a course that was setup by our PE department. Along the route they were doused with powdered color that was thrown on them by teachers and staff. Some of our students ended up looking pretty colorful.

We had a kickball tournament on the same day as the color run that took place after school. We had about 8 teams that competed in three different games until we had an overall winner. Despite the overwhelming heat of the day the students all had a great time. A huge thank you to the faculty and staff that volunteered their time to make the tournament a success.

Our fifth grade teachers had a chalk art competition where the students participated in groups to draw scenes related to summer. The drawings were judged by various faculty and staff. Our sixth grade teachers had a cookout with hot dogs and hamburgers to wrap up the end of the year that included outdoor activities.

Finally, on the last day of school we had an end of the year awards ceremony where a multitude of awards from all of our departments. Students were recognized for academic achievement, behavior, effort, attendance, citizenship, kindness, and perseverance to name a few. We watched a video that was created by the various pictures taken throughout the year. A big thank you to Mrs. Plymale for putting the video together and setting it to music. At the end of the assembly the students were loaded on the buses where they were given a big sendoff by the entire faculty grades K-12.

We hope that everyone is having a great summer and we look forward to seeing everyone in the Fall.

KINDERGARTEN GRADUATION

4th GRADE FIELD TRIP

POST GRAD PLANS - CLASS OF 2022

Cherish Bagg	Alfred University - Math Education	Kasey Krenzer	Eastern Wyoming College - Precision Agriculture
Casmira Bartz	Continental School of Beauty - Cosmetology	Bella Leone	Finger Lakes Community College - Business Administration Marketing
Paige Bayliss	Emerson College - Writing, Literature, and Publishing	Blaise Leone	SUNY Geneseo - Business
Delaney Bean	SUNY Geneseo - Early Childhood/Childhood Education	Caleb Maines	Laurel Institute of Technology - Electrical Technician
Russell Beardslee	Entering the Workforce	Allyson Matthews	St. John Fisher - Psychology
Jared Broughton	Entering the Workforce	Mark McElfresh	Entering the Workforce
Kaitlyn Broughton	Oklahoma State University - Agricultural Communications	John Mertsoc	SUNY Cortland - Psychology
Olivia Buchholz	Entering the Workforce	Eric Mills	Finger Lakes Community College - Fish and Wildlife Technology

- JV/Varsity Football:** Saturday, August 20th 
- JV/Varsity Boys & Girls Soccer:** Monday, August 22nd 
- JV/Varsity Girls Volleyball:** Monday, August 22nd 
- JV/Varsity Cheer:** Monday, August 22nd 
- Varsity Girls Swimming:** Monday, August 22nd 
- Modified Football:** Monday, August 22nd 
- Modified Boys & Girls Soccer:** Monday, August 29th 
- Modified Volleyball:** Monday, August 29th 

LETCHWORTH SENIOR REAGAN DRUMMA (CLASS OF 2023)

is participating in a summer honors program for high school students who aspire to a career in the medical field. This summer she is traveling with other high school students from across the country to Hue, Vietnam for a two week hospital internship. While in Hue Reagan will be able to observe surgeries, shadow physicians, and work in an anatomy lab-activities that third and fourth year medical students typically experience. She will also experience a global view of medicine, seeing and understanding how medicine is practiced differently in another country. Reagan became involved with this program through her participation in the Congress for Future Medical Leaders in the Fall of 2020. She hopes that this experience will help her as she pursues her career goal of becoming a surgeon. More information about this program that Reagan participated in can be found at www.thenationalleadershipacademies.com.

Reagan pictured with her rotation group in front of the hospital in Hue, Vietnam. Her first rotation, otorhinolaryngology (in layman's terms ear, nose, and throat) took place on July 20, 2022.

MESSAGE FROM SUPERINTENDENT CAMPBELL

Dear Letchworth Family,

It is with great pride that I congratulate our Class of 2022 on all of their accomplishments. As you can see from the information enclosed in this newsletter it is a very talented group of men and women. They are kind and hard working individuals who continue to rise to the challenges before them. We have no doubt they will all be successful on their new journey.

Summer of 2022 brought on an eruption of construction here at LCS. If you drive by the school you will see the heavy equipment and construction crews everywhere. They are demolishing the AG, Tech and new STEAM areas. It always looks worse before it gets better. Our local maintenance staff is doing an incredible job cleaning classrooms and moving furniture as this process progresses. It is a tremendous amount of work and it is quite amazing to see it all come together. Most of the areas will be ready by September. The new AG and Tech classrooms should be complete in December 2022 and the NEW STEAM addition is a 2 year process. Temporary classrooms will be set up so that instruction can continue during the school year.

We are diligently preparing for the 2022-23 school year; student schedules, hiring new staff and preparing classrooms.

A few reminders for families:

- We will remain on a double AM/PM bus schedule. Bus routes and times will come out in August. (Prek-4 and a separate Grade 5-12)
- Please be sure your child is up to date with vaccinations and health physicals
- Check out our school website at www.letchworth.k12.ny.us It has been revamped. A big thank you to Kim Cummins who has spent countless hours making it more user friendly.
- LCS Open House: Tuesday, September 6, 2022

In closing, we are excited for the new year. I know that the construction will bring some glitches to our normal operations, but it is temporary. When complete, this District will continue to be on the cutting edge for educational opportunities we are able to offer our students. Grounded by our priority of developing kind, hard working and resilient students, Letchworth is a school to be proud of. Thank you for your unwavering and gracious support as we continue to strive for an environment where all students are supported and successful.

Enjoy your summer and find joy in the beauty of our community. Together...We are Letchworth,

Todd Campbell, Superintendent

Excavation for the NEW STEAM addition

NEW Nurse's Office is coming together.
