Make-up is TUESDAY 1/23				

Please select one day out of the week and one time slot (2:30-4:00 or 4:00-5:30) for the driving portion of your Driver Education. This will be the day and time of your driving portion of the driver education program each week.

Be sure you do not select your drive and lecture for the same time slots. It can be the same day but not the same time. For example, you can select a Tuesday lecture at 2:30 and a Tuesday drive at 4:00 or two different days such as a Tuesday lecture and a Wednesday drive.

You cannot select a Tuesday lecture at 2:30 and a Tuesday drive at 2:30.

There will be a mandatory parent (and student) meeting. The date is TBD and details will be provided by your lecturer.

Only one drive is permitted to be missed and must be made up on the make up date listed on the above calendar. You must contact the Driver Education Office to be placed on the make-up drive schedule @ driversED@longwoodcsd.org. If you miss more than one drive class, it will result in course failure.
