Noncustodial Parent Waiver Petition for the 2024-25 Academic Year

A major assumption of Galloway’s financial assistance program is that parents have an obligation to finance their children's education to the extent they are able. This assumption is aligned with the methodology and principles of both the National Association of Independent Schools and the School and Student Service for Financial Assistance. The Financial Assistance Committee will consider the financial resources of both biological parents, if living, before making an award. The committee will consider the financial resources of parents regardless of legal responsibility for educational expenses. For example, if a divorce decree does not mandate payment of educational expenses by one parent, the Committee believes that parent still has an obligation to contribute to the extent they are able. If either natural parent remarries, the committee will bear in mind the obligations of that parent to his or her new family. If the parent with custody remarries, the committee will consider the resources of the stepparent while still bearing in mind the obligations of the stepparent to his or her natural children.

It is possible, however, for Galloway to waive the noncustodial requirement in certain situations. The following are conditions under which we may consider waiving the noncustodial requirement:

1. the noncustodial parent’s whereabouts are unknown;
2. the noncustodial parent has no contact, and has not had any contact, with the applicant over a period of years;
3. the noncustodial parent provides no financial support to the student.

This is a petition requesting that Galloway waive the noncustodial parent requirement regarding the submission of financial assistance application forms. Upon receipt of this petition, along with the requested documentation, Galloway’s Financial Assistance Committee will review and respond to the request. Please complete the entire form, answering all questions and submitting all requested documentation. Only completed applications will be reviewed.

Please upload all information (completed copy of this form along with accompanying tax documents) to the Clarity website by the financial assistance deadline. You may also forward this
