<b>Chinese I</b> <i>Dr. Chen   drchen@iprep-u.com</i> <b>Description:</b> Chinese is one of the most challenging languages to learn. This Chinese I class is designed for beginner students to learn the basic skills in speaking, reading and writing in Chinese language. In this class, students will learn several greetings and conversation starters, some basic Chinese characters and simple sentence structures. Students will build their Chinese vocabulary in numbers, food, people, animals through games and songs. We will also learn some Bible names, songs, and verses in Chinese. It is recommended to do all 3 terms of this class, but not required. If students complete all 3 terms, by the end of term 3, students will be able to read (with or without help) two biographies of missionaries to China and be able to complete a book report or oral presentation if they’d like. <b>9 classes; 9 hours.</b>	1 - 3	Mon	3:15 – 4:15
<b>Cupcake Decorating</b> <i>Anastasia Rubin   arubin@rentonchristian.org</i> <b>Description :</b> In this class students will learn different skills to be creative in the “kitchen”. Students will learn how to decorate Cupcakes, mini cake, and dessert shooters. We will learn how to make frosting, use different decorating tips, fondant & techniques. We will be decorating cupcakes for various holidays and students will receive recipes to recreate the creations at home. <b>9 classes; 9 hours.</b>	3 to 8	Wed	3:15 – 4:15

<b>Math Olympiad</b> Dr. Chen / <a href="mailto:drchen@iprep-u.com">drchen@iprep-u.com</a> <b>Description :</b> Math Olympiad is a problem solving based national competition. This class is offered to introduce important math concepts and to teach major strategies for problem solving. Students will learn to explore fun and exciting new ways to solve multi-step math problems. Should any student be interested in the competition, there will be 5 monthly contests held from November to March. Depending on his/her total score, a student may receive a trophy, a handsome embroidered Olympiad patch, a silver or gold pin, or a bronze medallion. This class provides an incentive to intensify the study of math. Many students claim that math has become their favorite subject after taking this class, and later excel in high school and college math classes. <b>9 classes; 9 hours.</b>	7 to 8	Wed	3:15 – 4:15

<b>WHOLE ARMOR MARTIAL ARTS</b> Andrew Colson <a href="mailto:ac@wholearmorkc.com">ac@wholearmorkc.com</a> <b>Description:</b> Welcome to Whole Armor Martial Arts Build confidence and self-discipline in your body, mind, and spirit as you train in a traditional Karate style while applying biblical values to the skills we teach. Learn to block, punch and kick through multiple levels of our curriculum. Proper etiquette must be adhered to. Class begins with warm-ups, then any number of individual drills, new techniques, kata, self-defense, balance, partner-drills, focus pads, shield and bag work, sparring, and much more. Every class has a Bible lesson to explore how God’s word applies to the martial artist. First uniform is included in the tuition fee. <b>9 classes; 11.25 hours</b>	3 to 8	Wed	3:15 – 4:30

How to Register: Go to <https://www.rentonchristian.org/programs/enrichment> or register on Family Portal.

Withdrawal: **You have 1 week to decide if the class is a good fit for your child.** If you do not want to attend the second week, you may withdrawal without any further charges. After week one, you are committed to the full payment for the Term. Please email [mbonilla@rentonchristian.org](mailto:mbonilla@rentonchristian.org) **before September 22<sup>nd</sup> to withdraw.**

Payment: There is a \$50 non- refundable, non-transferable registration fee applied to your FACTS SIS account to sign up for any class. The \$50 fee will apply to the overall class fee. Throughout the term, your FACTS account will be billed monthly, at the beginning of the month. You can pay online. You may not start the next term with a balance owed from previous terms.
