## PROFESSIONAL EXPECTATIONS

## **Attendance/Tardiness**

The District maintains established business hours based on the building schedule. Regularity of attendance and punctuality is essential to the orderly performance of our work. As an employee, you are required to be punctual and regular in your attendance. When you are absent or late for work, others must perform your work just as you must perform their work when they are absent. Employees are urged to use leave time sparingly.

You are required to report to work on time and be prepared to start work at your regularly scheduled starting time. You are also required to remain at work through the end of your schedule except for regularly scheduled breaks or authorized leaves. It is important that when you find it necessary to be absent, you contact the Aesop system or notify your supervisor as soon as possible before you are expected to arrive to work, but no later than one hour before your normal scheduled starting time.

Employees requiring a guest substitute need to report their absence as early as possible for the District to schedule the best possible substitute to fill your position. Scheduled absences such as in-services and personal business days need to be reported immediately upon approval to insure your position is filled. Many guest employees also work for surrounding districts and their availability may be limited.

If an emergency arises and you will be absent or tardy, you need to contact your supervisor immediately. Absent extenuating circumstances, you must call in on any day you are scheduled to report and will not be able to report.

Excessive absenteeism, whether excused or not, is not acceptable. Each situation of excessive absenteeism or tardiness will be evaluated on a case-by-case basis. If you fail to report to work without any notification to your supervisor for a period of three (3) consecutive workdays or more, this shall constitute your voluntary termination of your employment with the District.

## **Absence Without Pay**

If you find it necessary to take a day off without pay, you need to submit your request in writing to your immediate supervisor at least five (5) work days in advance, whenever possible. Your immediate supervisor may grant permission for a maximum of two consecutive days without pay. The approval of your immediate supervisor **and** the Executive Director of Human Resources is required for three (3) or more consecutive days off without pay.

If you are denied time off without pay and you are absent on that day, you are subject to disciplinary action, up to and including discharge.

## **Leaves of Absence**

A request for a leave of absence should be submitted as soon as you are aware that you need to be off of work for five (5) days or more. A copy of the leave form must be submitted to your building principal/supervisor and the Executive Director of Human Resources. The original must be submitted to the Business Office. The leave of absence FAQ can be found on the District website under the Business Office page. Please see **Appendix A** for a leave of absence request form.

## **Conduct**

As a member of the District, employees are expected to accept certain responsibilities, adhere to acceptable business principles in matters of personal conduct, and exhibit a high degree of personal integrity at all times.

This not only involves sincere respect for the rights of others, but also demands that both in their business and personal life, employees refrain from any behavior that might be harmful to them, their co-workers, or the District, or that might be viewed unfavorably by current or potential residents or by the public at large. Whether behavior is during or outside of work hours, employee conduct reflects on the District and the highest standards of professionalism are encouraged at all times.

If your performance, work habits, overall attitude, conduct, or demeanor becomes unsatisfactory in the judgment of the District, based on District policies, rules, regulations, or contract provisions, you will be subject to disciplinary action, up to and including dismissal.

## **Confidentiality**

It is the policy of the District to ensure that the operations, activities, and affairs of our students, their parents, and other employees are kept confidential to the greatest possible extent. If, during their employment, staff members acquire confidential or proprietary information about the District, students, parents, or employees, such information is to be handled in strict confidence and not to be discussed with any individual who does not have a legitimate right to know the information. If an employee discloses student information without parental consent, it can violate federal law. Staff members are also responsible for the internal security of such information. Refer to [Board Policy 8350](#) for additional information. Staff members found to be violating this policy are subject to disciplinary action, up to and including dismissal, and may also be subject to civil and/or criminal penalties for violations of the confidentiality policy.

## **Customer Service**

Dexter Community Schools is committed to providing excellent customer service that is grounded in common standards, systems, and principles. It is the District's expectation that employees maintain healthy relationships with students, parents, co-workers, community members, and all stakeholders related to the school community.

We are here to serve. Think long term. Positive interactions create a customer for life. Keeping them happy will keep them loyal and is the best marketing tool you could ever have (word of mouth).

### **Dress Code**

Each employee is a representative of their building/department and the District. All employees are expected to dress appropriately for work and be well groomed. Discretion in style of dress, hair and behavior is essential to the professional operation of the District. An employee's clothing and grooming should not interfere with his/her job duties nor disrupt the workplace. Your supervisor may assist you in determining what attire is appropriate. Dexter is proud of its Dreadnaught heritage and every Friday is Spirit Day. Wear your maroon and gold with pride!

Some jobs may have additional dress restrictions for safety reasons. You may be subjected to discipline for violating this policy. If a uniform is provided, the employee is expected to wear that uniform and to keep it in a clean, presentable condition. Refer to [Board Policies 3216 and 4216](#) for additional information.

### **Financial Responsibilities**

Money in the Classroom/Management of Collecting & Depositing.

Employees routinely collect funds from students and parents for various programs and activities. Funds are not to be kept overnight in classrooms, offices, homes, etc. All funds are to be deposited daily with office staff who will utilize the district's courier services to deposit funds with the bank.

### **Identification Badges**

All employees will be issued and are required to wear an employee identification badge in a way that it can easily be observed at all times. Badges are issued when hired or at the District's discretion. New employees are issued an ID badge when fingerprint results have been received and required new hire paperwork is complete. If you lose your ID badge, please submit a Technology Help Desk ticket immediately and notify your supervisor. There will be a replacement fee.

### **Keys**

You may be provided with keys and/or an electronic ID badge to your work area and/or the building. Keys/ID Badge should never be loaned to another employee or a student. Keys/ID Badge should never be reproduced. Keys/ID Badge and any other district property must be surrendered upon termination of employment. If you lose a district key, please notify your supervisor immediately.

## **Outside Activities for Staff**

It is the policy of the Board of Education that professional staff members avoid situations in which their personal interests, activities, and associations may conflict with the interests of the District. [Refer to Board Policy 3231](#) (Professional Staff) or [4231](#) (Classified Staff).

## **Political Activities**

Employees have the right to campaign for and to hold elected public office. However, as a candidate yourself or on behalf of another individual or issue, you may not campaign during school/work hours, use District supplies, equipment, or email system for political campaigning, or involve students or other school personnel in any political campaign during any school/work hours. Banned political activities during work hours include: wearing political buttons, soliciting political contributions, displaying political posters on school vehicles.

## **Social Media**

Social media is defined as any form of online publication or presence that allows end users to engage in multi-directional conversations in or around the content on the website.

A large percentage of Internet traffic is centered on the use of social media. Examples of social media include, but are not limited to: Facebook, Twitter, You Tube, Instagram, Snap Chat, blogs, wikis, social book-marking, document sharing and email. Employees are prohibited from establishing personal relationships with students that are unprofessional and thereby inappropriate. An employee's use of internet resources must comply with the District's Acceptable Use Policy and any user agreements.

The lines between public and private, personal and professional are blurred in the digital world. Even when you have a disclaimer or use a different user name, you will always be considered to be a Dexter Community Schools (DCS) employee. Whether it is clearly communicated or not, you will be identified as an employee of the DCS in what you do or say online. Behavior unbecoming of a DCS employee as determined by administration is subject to disciplinary action and/or termination. Do not post photos or movies of fellow employees without their permission.

Do not use photos or movies taken at school without permission. Do not post photos or movies that contain students without parent permission. Please refer to [Board Policies 7540.02, 7540.04 and 7545](#) for more information.

## **Staff Development Record**

The staff of Dexter Schools is an integral part of the total success of the organization, and the ongoing training and development of the staff is essential to the efficient and effective delivery of services. Staff will be given opportunities to engage in staff development activities in order to maintain and improve job skills and performance, individual growth, and professional development.

Staff members, who are required to participate in a minimum number of professional staff development hours per year, are personally responsible for attending the provided professional development session or making up any missed hours, no later than the last workday of the school year in June.

## **Staff Ethics**

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, the Board of Education expects all staff members to maintain high standards in their working relationships, and in the performance of their professional duties.

In keeping with the ethical responsibilities of staff, the Board of Education requires that staff not engage in any romantic or sexual relationship of any kind with students of this District, regardless of their age. Staff must not provide alcohol, drugs, cigarettes, or any other contraband to a student. Please refer to [Board Policy 3210](#) for more information.

## **Tobacco Free Schools Law**

To ensure the highest standards of learning as well as the safety, health, and well-being of students and employees, the District enforces [Section 473 of the Michigan Penal Code](#). In order to protect students and employees who choose not to use tobacco from an environment noxious to them and potentially damaging to their health, the Board prohibits the use of tobacco on District premises, in District vehicles, and in all school buildings owned and/or operated by the District.

For purposes of this policy, “use of tobacco” shall mean all uses of tobacco, including a cigar, pipe, e-cigarette (vaping), chewing tobacco, or any other matter or substance that contain tobacco.

The Board prohibits the use of tobacco by staff members in District buildings, on District property, on District buses, and at any District-related event. The use of tobacco products by any person is in violation of the Board policy and will result in disciplinary action and an employee can be subject to a misdemeanor penalty. For additional information see [Board Policies 3215, 4215 and 7434](#).

## **Work Environment**

Staff members are expected to maintain their work environment. Before departing at the end of the workday, staff should secure all files and cabinets, clear all work materials from desk surfaces that are of a sensitive or confidential nature, turn off all technology, lights, and lock and secure doors.

## **Policies, Practices, and Procedures**

### **Accident Reporting**

All employees who are injured on the job must fill out an accident report (obtained from your immediate supervisor or Human Resources). ### **Alcohol and Drug Testing**

The District implements the requirements of the [Omnibus Transportation Employee Testing Act of 1991](#), (OTETA) for all employees whose job requires CDL licensing. Specifically, Federal Law provides for random, reasonable suspicion, post-accident, return to duty and follow-up testing. Refer to [Board Policy 4162](#) for additional information.

### **Alcohol or Drug Use**

It is the policy of the District to create a drug-free workplace in keeping with the [Drug-Free Workplace Act of 1988](#). Accordingly, all staff members are notified that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited anywhere in the workplace. Such conduct is also prohibited during nonworking time to the extent that, in the opinion of the District, it impairs an employee's ability to perform on the job or threatens the reputation or integrity of the District.

The employee shall remain free of any alcohol or non-prescribed controlled substance in the workplace throughout his/her employment in the District. Refer to [Board Policies 3122.01, 3170 and 4170](#) for additional information.

### **Communicable Disease Control Policy**

The District has an established comprehensive Communicable Disease Control Policy Manual in the health room of each school building and main office of other school facilities. [Refer to Board Policies 8450 and 8453](#) for additional information.

## **Complaint Resolution Procedure**

It is the District's desire to provide good working conditions and maintain harmonious working relationships among employees, as well as between employees and management. Misunderstandings or conflicts can arise in any organization. To ensure effective working relations, it is important that such matters be resolved before serious problems develop.

Many incidents resolve themselves naturally. If a situation persists that is believed to be detrimental to an employee or the District, the employee should first discuss it with his/her immediate supervisor. If the issue is not resolved, the employee should follow the procedures in his/her individual contract, [applicable collective bargaining agreement \(CBA\)](#), or contact the Executive Director of Human Resources.

## **Conflict of Interest**

Staff members shall perform their official duties in a manner free from conflict of interest. The maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by School District employees is essential to ensure the proper performance of school business as well as to earn and keep public confidence in the School District.

No employee shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities.

No staff member shall use his/her position to benefit either himself/herself or any other individual or agency apart from the total interest of the School District.

Employees shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment with the School District.

Employees shall not make use of materials, equipment or facilities of the School District in private practice. Refer to [Board Policy 3110 and 4110](#) for additional information.

## **Corporal Punishment**

Michigan law strictly prohibits the use of corporal punishment on a student, which is defined as “the deliberate infliction of physical pain by hitting, paddling, spanking, slapping, or any other physical force used as a means of discipline.” [MCL 380.1312](#). An employee who used corporal punishment on a student will be subject to appropriate disciplinary action up to and including dismissal. All instances of the use of physical force upon a student are to be fully documented within 24 hours and reports sent to the appropriate principal, department director, and the Superintendent.

## **Crisis Plans**

The District has an established comprehensive Crisis Plan. Refer to the Dexter Community Schools Emergency Operation Plan Manual available in the main office of each building and every classroom for policies/procedures. Refer to [Board Policy 8410 and 8420](#) for additional information.

## **Disciplinary Actions**

The District uses progressive discipline when responding to unsatisfactory performance by employees. This in no way modifies the District's policy that the employment relationship is an at-will relationship which is terminable at the will of either party.

Disciplinary action may include oral or written warnings, written reprimands, suspension and dismissal. The disciplinary action which is imposed will depend upon various factors, including the nature and severity of the problem and the employee's disciplinary history. Depending upon the situation, any of the aforementioned disciplinary actions or any combination thereof may be imposed, and the discipline may not be progressive. If a written record of an incident/issue is inserted in your personnel file, you shall receive a dated copy of the document within ten workdays of the District's knowledge of the incident/issue and completion of the subsequent investigation, whenever possible.

You have the right to submit a written rebuttal to any disciplinary document placed in your personnel file. If you submit a rebuttal, it should be received in the Human Resources Office within ten workdays of your receipt of the disciplinary document. If you write a rebuttal, it will be attached to the disciplinary document in your personnel file. [Refer to Board Policies 3139 and 4139](#) for additional information.

No employee shall have a reasonable expectation of privacy in connection with any District property. District property provided to employees must be maintained and used only for proper work related purposes, and used in an appropriate manner. The tools and equipment remain the property of the District and are not to be used for personal projects. The employee is responsible for the loss or damage of District owned property due to the employee's negligence. All property provided to the employee must be returned to the District in the same condition as when it was received. Presenting one's self for work under the apparent influence of alcohol or other non-prescription drugs is prohibited. No employee shall be permitted to begin or continue work while under the apparent influence of alcohol or other drugs. Any employee in the possession of or testing positive for alcohol, marijuana (except if in possession of a state issued medical marijuana card) or other non-prescription drugs while on the premises will be subject to disciplinary action up to and including dismissal, within the sole discretion of the District. In the event the District, in its sole discretion, determines that an employee may be under the influence of alcohol, marijuana or other non-prescription drugs, the employee will be required, as a condition of continued employment, to immediately submit to testing at a facility selected by the District.

Any employee who violates this policy may be subject to disciplinary action up to and including dismissal of employment. In the sole discretion of the District, an employee who violates this policy may be required or permitted to satisfactorily participate in a drug assistance or rehabilitation program approved by the District. Allowing or permitting participation in a drug assistance or rehabilitation program shall not establish a precedent. Refer to [Board Policies 3122.01, 3170, 4122.01, and 4170](#) for additional information.

## **Emergency Building Closing**

When the District or building facilities are closed because of emergency/weather situations, employees are directed to follow their collective bargaining agreement and/or the direction of the building administrator or their supervisor.

## **Employment At-Will**

This Employee Handbook does not constitute an employment contract between the District and any employee. The provisions contained in the Handbook supersede any and all contrary representations that have been made either by the District or yourself, other than that contained in an individual contract or collective bargaining agreement. No employee, supervisor, or other person, except the Superintendent in writing signed by him/her, has the authority to enter into any employment agreement on behalf of the District for any specified period of time, pursuant to any particular conditions, or to make any agreement contrary to the terms expressed in this Handbook.

The District is an at-will employer. This means that just as any employee may terminate his/her employment with the District at any time, for any reason or no reason, so may the District terminate an employee at any time, for any reason or no reason. The employment relationship is for an indefinite period of time and can be terminated at any time with or without notice.

The District may set rules and regulations governing the conduct of employees. The rules and regulations, however, are not intended to cover all circumstances and do not alter the fact that the employment relationship is terminable at the will of either party. The direction and control of all work for all employees includes, by way of illustration and not of limitation, the right to hire, assign, suspend, transfer, demote or dismissal and is the sole prerogative of the District.

Employees with Tenure rights or who are under the terms of a written employment agreement are not considered to be “at-will” employees.
