The administration and supervision of the activities in the school system are delegated by the Board of Education of the Davis School District (Board) to its administrative officers. It is the responsibility of these officers to carry out the policies adopted by the Board and to manage the actual work being done in the school system.

1.2. SCHOOL PRINCIPALS

1.2.1. All custodians and other building workers are under the principal's direction. No one should initiate any activity in a school building without making arrangements with the principal.

1.2.2. It is the principal's constant responsibility to relate, interpret, and maintain the responsibilities of the administration and the Board before all employees within his/her school.

2. NEGOTIATIONS

2.1 The Board recognizes the Davis Educational Support Professionals (DESP) as the exclusive representative of the classified employees (except as herein provided) as determined by Davis School District Board Policy. Any individual employee shall have the right to present grievances, with or without representation by the Association, in accordance with the Grievance Procedure provided. Nothing in this Agreement shall be so construed as to deprive any individual of his/her rights under neither the Utah Right to Work Law nor his/her rights as set forth in Title VII of the Civil Rights Act or under Title 34, Utah Code Annotated or amendments thereto. The Board shall continue to recognize the Association as the exclusive representative for the term of this Agreement or any renewal thereof as long as there is verification of representation.

2.2 Excepted personnel shall include Substitutes; Temporary Seasonal Employees; Supervisors; Directors; Assistant Superintendents; Business Administrator; Superintendent. Classified School Technology Specialists shall be paid according to District Salary Table 6 but are otherwise covered under the provisions of this agreement.

2.3 Policy issues will be negotiated every even numbered year and limited to ten (10) such items per party on odd numbered years unless State and Federal statutes or State School Board Policies require such negotiation. This will not preclude discussion of proposed changes at any time through the liaison process.

2.4 Salary and benefit items will be negotiated every year.

3. COMPENSATION

3.1. PAYROLL PROCEDURES

3.1.1. Payroll is made through direct deposit. The payroll period for full-time employees is from the first of the month to and including the last day of the month. The payroll period for part-time employees is from the day following the last paid day of the preceding month through the 15th of the current month or three (3) working days prior to the date payroll direct deposits are made, whichever occurs first.

3.1.2. The monthly payroll absence reporting period ends the 15th of the month or three (3) working days prior to the date payroll direct deposits are made, whichever occurs first.

3.1.3. Payroll direct deposit shall be made on the last banking day of the month.

- 3.1.4. When employees resign or otherwise terminate their district employment, the effective date of their termination shall be the last date actually worked unless the termination occurs during or at the conclusion of a district-approved leave of absence or during non-contract periods.

3.2. **PAYMENT FOR EXTRA SERVICES**

- 3.2.1. Any payment made from individual school funds to personnel for services performed must be processed through the District payroll office. Payment for services beyond regular responsibilities must have prior approval of the Superintendent.

Part-time employees may work beyond their normal authorized hours through extra duty assignments, substituting within their own job classification, or substituting for other job classifications. However, the District reserves the right to limit the total number of hours that may be worked. Compensation for extra duty shall not be considered as “salary” or “wages” regardless of the fact that it shall be based on job description compensation classifications for duties performed. Extra duty assignments may be modified or changed at any time. Compensation for extra duty may be withdrawn at any time. Receipt of compensation for extra duty shall establish no right, expectation, or requirement that such assignment and compensation will continue in the future.

3.3. **SALARY SCHEDULE**

3.3.1. Schedule Adjustments

- [a] Negotiated salary increases for all classified employees shall become effective on July 1st of each contract year unless negotiations are not completed by that date. 3.3.2. Placement of Employees

- [a] New employees shall be placed on the first step of the appropriate salary schedule lane. However, the Superintendent may authorize a higher step in situations where:
 - (i) a fully qualified applicant cannot be recruited at the first step of the pay schedule;
 - (ii) the Superintendent determines that the District's best interests would be served by granting a higher step.
- [b] Former District employees who are rehired into a position on the same grade or lower grade than the position previously held less than two (2) years after leaving the District shall be placed on a comparable salary step to the one they were on before leaving. Employees who return after two (2) year shall be penalized one salary step on the appropriate grade for each

year they were gone. District retirees rehired effective July 1, 2000, or later, in the same category will not be placed above step eleven (11).

[c] Individuals who are re-employed by the District without missing any contract

workdays between the last day of their previous position and their new position will be treated as reassignments, not rehires, for the purposes of salary schedule placement only. This does not apply to seasonal employees.

[d] Addendum #1 is a position classification listing identifying job titles and salary schedule lane placement.

3.3.3. Merit Step

[a] For years in which a merit step is awarded to employees, the effective date of the merit step increase for all employees will be July 1st. If an employee is hired into a position between February 1st and June 30th, the first merit step increase for that position will not occur until July 1st of the following calendar year.

[b] Merit step placement is not based on years of service.

[c] Employees who transfer to a new position effective July 1st shall be eligible for a one-step merit increase in addition to any salary adjustment resulting from the transfer.

3.3.4. Change in Position or Classification

[a] When employees are promoted to a position on a higher salary lane, they shall be placed on the lowest step that will result in a minimum five percent (5%) salary increase. If the promotion is effective July 1st, the merit step increase shall be awarded prior to the promotional salary increase.

[b] When employees voluntarily return to a previously held position in the same job category as the supervisory position to which they were promoted, they shall be placed in the appropriate lane on the step they were on prior to the promotion plus one additional step for each merit step they received while in the supervisory position. When employees transfer to a lateral or lower position on the salary schedule, they shall be placed in the appropriate lane on the same step they were on prior to the transfer.

[c] If an employee or the employee's supervisor determines that the job description does not adequately reflect the major responsibilities and duties actually assigned, the job description and the salary lane classification of the position may be reviewed through the "Job Review Procedure."

3.3.5. Job Review Procedure

[a] Step 1 - Job Review Form

An employee requesting a Job Review should complete a "Job Review Form" indicating sufficient reasons and evidence for making the request. In completing the form, the employee should include a written explanation and description of any significant differences between the official job description and the employee's current duties and responsibilities.

[b] Step 2 - Supervisory Review

The employee should review the completed Job Review Form with his or her principal or department director. The principal's or department director's signature on the form indicating acknowledgment of the employee's duties and responsibilities is required before the form may be submitted for further review.

[c] Step 3 - Submit Form to Human Resources Department

The employee requesting a job review should submit the completed Job Review Form to the Human Resources Department by March 1. The department shall review proposed changes to assure that the additional

duties and responsibilities are appropriate for the position, the Human Resources Department will return the form to the employee's principal or department director and address the concerns.

[d] Step 4 – Job Review Committee

The Job Review Form will be reviewed by the Job Review Committee. The Job Review Committee will be comprised of an administrator from the Human Resources Department, two other district administrators appointed by the Superintendent or the Superintendent's designee, the DESP president, and two other DESP member representatives appointed by DESP.

The Job Review Committee shall consider whether or not:

- (i) the format of the review form has been properly observed;
- (ii) questions raised have been covered by prior actions of the committee;
- (iii) further administrative steps should be taken before sending the request to the next step;
- (iv) the request is significantly lacking in merit, whereby employees shall be informed their request has been denied;
- (v) the request should be sent to the next step for further review.

[e] Step 5 – Job Review Assessment

The Job Review Committee will gather information regarding the position being reviewed. This information may include, but is not limited to, a Job Assessment Tool form completed by the employee, information provided by the employee's supervisor, job market data, and other relevant information. Based on their review of the information about the position, the Job Review Committee will determine:

- (i) Whether the current job description for the employee should be modified, and if so, whether reclassification to a higher grade on the Support Salary Table is appropriate;
- (ii) Whether reclassification to another existing job classification is appropriate; or
- (iii) No change or further action is warranted.

[f] Step 6 – Reclassification Recommendation

If the Job Review Committee determines that a reclassification to a higher grade on the Support Salary Table is appropriate, the Committee will recommend that change to the Assistant Superintendent over classified personnel for final approval.

[g] Step 7 – Implementation

If the recommended placement on a higher grade on the Support Salary Table is approved by the Assistant Superintendent, the employee affected shall be moved to the new grade and placed on the step that gives him or her a salary increase closest to five percent (5%). The reclassification shall be effective July 1st.

[h] Step – 8 Notification

The employee requesting the job review shall be notified by the Job Review Committee of the final decision regarding his or her request and any resulting action.

For any hours not made up by November 1st, bus drivers and bus assistants will continue to have the opportunity to make up those hours until May 15th. When assigning any extra duty work, priority will be given to those needing to make up time. Bus drivers' and bus assistants' paychecks may be adjusted for any hours not made up by May 15th. - [b] Custodial employees required to work on District recognized holidays and/or

for emergency call out such as pipe breakage, flooding, or similar unplanned emergencies, shall be compensated for a two (2) hour minimum. Time worked under this provision shall be compensated at time and a half at the employee's option of compensatory time or wages.

[c] Weekend and holiday building checks shall be scheduled as a portion of regularly authorized work hours. The time allowed for a building check is one half hour for an elementary school and one hour for a secondary school. Building checks may be assigned to full or part-time custodians. - 3.5.2. Definition: Any time worked in excess of forty (40) hours in any one work week will be considered overtime. A work week is defined as Sunday through Saturday. Only hours actually worked in a work week will be used in determining overtime. Vacation, sick leave, holidays, and other similar leaves will not be considered in calculating overtime. (See section 3.4 for specific payroll adjustments when employees are required to work on District recognized holidays and/or for emergency call out).
- 3.5.3. Assignment: All overtime worked must be specifically assigned by an employee's supervisor and approved in advance. (The only exceptions allowed are in bona fide emergency situations when overtime is unavoidable and supervisors cannot be contacted for approval.) It is the District's policy to discourage the use of overtime and to keep overtime to the barest minimum commensurate with the District's best interests. Supervisory personnel should organize their department workloads to minimize overtime.
- 3.5.4. Compensation:
 - [a] For non-exempt employees covered under the overtime provisions of the FLSA, overtime will be compensated by allowing compensatory time off at the rate of time and one-half (for example, 1.50 hours of comp time for every overtime hour worked).
 - (i) Employees will not be allowed to accrue more than 240 hours of compensatory time.
 - (ii) In exceptional circumstances when the working of substantial amounts of overtime cannot be avoided, the superintendent may approve payment for overtime at the rate of time and one-half the regular rate of pay.
 - (iii) Earned overtime shall not be lost if the employee transfers to a new position or location. Whenever possible, employees should arrange to use compensatory time before being transferred to another location. Upon termination, the employee shall be compensated for any unused overtime.
 - [b] No overtime compensation will be granted to administrators and other supervisory and professional employees exempted from FLSA overtime coverage.
 - (i) However, overtime for these exempt employees may be compensated by allowing straight (hour for hour) compensatory time off for the amount of overtime worked.
 - (ii) Any exceptions must be approved by the Superintendent's office.
 - [c] Scheduling. It is the responsibility of each principal, department head, or supervisor to schedule the use of compensatory time off for exempt employees, and such time off can only be taken with the prior approval of the appropriate supervisor.
 - [d] Reporting. Complete, accurate records of all overtime worked must be kept by each school and department. All overtime hours should be reported on

payroll time sheets.

3.6. **EDUCATIONAL REIMBURSEMENT**

Total new reimbursement funding shall not exceed \$36,000 per calendar year.

3.7. **ANNUITY PROGRAM**

3.7.1. Full-time and part-time employees of the District may make payroll deductions to District approved tax deferred programs.

3.7.2. The enrollment period is August 1st through May 15th for nine (9) month employees. Employees who work twelve (12) months may enroll and cancel by the 15th of any month during the year.

3.7.3. The deadline for establishing new annuities, changes, and cancellations is the 15th of the month.

3.8. **TRAINING**

Employees are financially responsible for their portion of insurance premiums. This amount shall be payroll deducted where possible. Part-time employees who are paid in ten (10) checks a year rather than twelve (12) shall have the annual premium deducted over nine (9) payroll checks. If coverage eligibility is lost, any pre-paid

premium amount shall be refunded. Insurance premium schedules may be reviewed on the District website or by contacting location insurance representatives.

- [a] A pro-rated premium contribution shall be paid for eligible, enrolled employees in a position, or combination of positions, authorized for fewer than thirty-five (35) hours per work week. The proration shall be calculated based on the percentage of a thirty-seven and one-half (37.5) hour work week the employee is authorized to work.
- [b] Medical Insurance Premium:
 - (i) Ninety-four percent (94%) of the employee premium and eighty-percent (82%) of the dependent premium for the plan selected.

 - (iii) If an employee and his/her spouse work in insurance eligible positions for the District and elect to carry 2-party or family medical insurance coverage under the name of one spouse only with the other spouse covered only as a dependent of that spouse, the District shall pay one-hundred percent (100%) of the cost of the option selected for one of the employed spouses working in a position, or a combination of positions, approved for thirty five (35) or more hours per work week. Additionally, the District shall pay one hundred percent (100%) of the monthly Wellness Program premium for both employees. These contribution levels are in consideration of the fact that both individuals are insurance-eligible District employees. (In situations where one of the eligible, enrolled spouses is employed in a position, or a combination of positions, authorized for fewer than thirty-five (35) hours per work week, the District shall pay an appropriate pro-rated premium contribution reflecting the higher contribution level.

This higher contribution level is in consideration of the fact that both individuals are insurance-eligible District employees. (In situations where one of the eligible, enrolled spouses is employed in a position, or combination of positions, authorized for fewer than thirty-five (35) hours per work week, the District shall pay an appropriate pro-rated premium contribution reflecting the higher contribution level.)
- [d] Life Insurance Premium:

The entire cost of the policy for the face benefit amount of an eligible employee's annual base salary, or fifteen thousand dollars (\$15,000), whichever is greater
- [e] Long Term Disability Premium:

A pro-rated premium contribution shall be paid for eligible, enrolled, employees in a position, or combination of positions, authorized for fewer than thirty-five (35) hours per work week. The pro-ration shall be calculated based on the percentage of a thirty-seven and one-half (37.5) hour work week the employee is authorized to work.

4.1.8. **Specific Insurance Adjustments**

Bus Drivers and Bus Assistants authorized hours effecting insurance eligibility and premium proration shall be established on November 1, for the following twelve (12) month period. Weekly authorized hours shall be determined by calculating the total scheduled regular run hours in the twenty (20) work days preceding November 1 and dividing that number by four (4). For purposes of determining premium proration, the daily scheduled regular run hours used in determining the weekly authorized hours shall be rounded up or down to the nearest half hour. Once a Bus Driver's or a Bus Assistant's authorized hours are established, an adjustment shall be made in the authorized hours prior to the end of the school year only if the assignment is adjusted by three (3) hours or more per week. From the beginning of a new school year through October 31, a Bus Driver's or a Bus Assistant's insurance eligibility and premium proration shall remain the same as it was at the end of the prior school year.

4.2. **WORKERS COMPENSATION**

4.2.1. The District carries Worker's Compensation Insurance (refer to Board Policy). In addition to benefits provided under the insurance coverage, the District shall:

4.2.2. The school district shall supplement compensation to the amount of total contracted salary, extending through the employees' accumulated paid leave.

[a] Workers Compensation shall pay for absence due to injury beginning on the fourth day and continue during the absence as approved by the medical advisor. Employees shall use their sick leave charged on a day for day basis to cover the first three (3) days of absence which are not covered under industrial compensation. Compensation shall be retroactive to the first day of absence in cases where the absence exceeds fourteen (14) working days.

[b] Accumulated leave shall be charged at one-third day for each day of absence, the other two-thirds of the day will be leave without pay because of the workers' compensation payments. In situations where employees do not have any accrued paid leave, the District shall not supplement workers' compensation. It is the sole responsibility of employees on Worker's Compensation to arrange with the District Payroll Department for this payment. Failure to do so shall result in lapse of benefits.

4.2.3. The District shall continue to meet the District's share of employee benefits (life insurance, disability insurance, health insurance and retirement) during the District approved leave of absence. Employees shall continue to meet their share of the benefit payments in order to keep their benefits in force.

4.2.4. Sick leave and vacation/personal leave accumulate during period of absence when full compensation benefits are being received.

4.3. **LEAVE**

4.3.1. **General Provisions**

- [a] Employees anticipating or experiencing an absence exceeding ten (10) consecutive work days shall request a leave of absence in writing (sent to the Human Resources Department) including purpose for the request and approximate leave dates.
- [b] All applicable paid leave available to an employee shall be used prior to unpaid leave usage (with the exception of sick leave used for adoption purposes). Employees on unpaid leave shall not receive holiday pay or continue to accrue paid leave. Employees that exhaust paid leave and take leave without pay (LWOP) may be subject to disciplinary action up to and including termination of employment.
- [c] Leave can be used only in the position in which it is earned unless that position is no longer held by the employee. In that case, an employee has the option of being paid for unused vacation and/or personal leave or maintaining the leave to be used in his/her current position(s). The option for maintaining leave is only available if the current position is still eligible for leave, if not the unused portion must be paid out.
- [d] Insurance coverage eligibility is lost at the end of the month in which an employee:
 - (i) not eligible for family leave (defined in Section 4.3.6) exhausts approved paid leave (or has no available paid leave for the position). If the employee is insurance eligible as a result of combined positions, he/she loses insurance eligibility if leave is exhausted in a position that is needed to meet the insurance eligibility threshold;
 - (ii) eligible for family leave exhausts approved paid leave and is beyond the family leave period. If the employee is insurance eligible as a result of combined positions, he/she loses insurance eligibility if leave is exhausted in a position that is needed to meet the insurance eligibility threshold and he/she is beyond the family leave period.

An employee may continue health insurance coverage by electing COBRA (refer to the insurance section). Other insurance coverage may be continued only as provided in the specific insurance contracts.

Note: catastrophic sick leave and/or advanced paid leave approval provides paid leave only and does not provide for continuation of insurance eligibility.

4.3.2. Sick Leave Policy

- [a] The sick leave policy provides full pay in cases of illness and personal bereavement. Sick leave eligibility is based on a single position, not a combination of positions.
 - (i) For eligible employees, working in a position authorized for six (6) or more hours per day, the following days per year shall be accrued:
 - (ii)

Employees	First three (3) years of employment	Succeeding years, beginning July 1st of fourth year

- (iii) Bus drivers hired in a position authorized for four and a half (4.5) or more hours per day prior to July 1, 1995, shall be eligible for sick leave. Bus drivers and bus assistants authorized hours effecting sick leave eligibility shall be established on November 1 for the

following twelve (12) month period. Daily authorized hours shall be calculated by averaging total scheduled regular run hours in the twenty (20) work days preceding November 1. The daily authorized hours shall be rounded up or down to the nearest half hour except where rounding up would create sick leave eligibility. An adjustment shall be made in the authorized hours prior to November 1 of the following year if the assignment is adjusted by five (5) hours or more per week.

- (iv) Accumulation of days will be unlimited. For all classified employees, the totals shall be interpreted to be effective on July 1st although they are earned as employees work throughout the year. Employees who terminate or resign employment shall be required to repay the value of sick leave used but not yet earned.
 - (v) Only extended contract with continuous service within any given month which can be evaluated to equal one-half month or more of a regular school year service shall apply. Evaluation shall be at the discretion of the Superintendent.
 - (vi) Employees that lose eligibility to accrue additional sick leave shall lose their accrued sick leave balance.
- [b] The sick leave policy is designed to assist personnel who have to remain away from work because of illness. The Board of Education, however, reserves the right to require verification of illness or disability from an employee's physician and if desired by a physician appointed by the Board.
- [c] The policy is designed by the Board to be used judiciously for illness of self and in the event of death or serious illness of an immediate member of the family, according to the following provisions:
- (i) The phrase, "an immediate member of the family" includes husband, wife, son, daughter, father, mother, brother, sister, grandmother, grandfather, and grandchild. (Exceptions that may be considered by the principal or supervisor: sister-in-law, brother-in-law, uncle, aunt, nephew, niece, first cousin, and those who have virtually held the position of an immediate member of the family.)
 - (ii) For any absence beyond one day in case of serious illness of an immediate family member other than spouse, parent, or child, approval must be secured from the Human Resources Department.
 - (iii) With the approval of the principal or supervisor, any employee under contract with the Board shall be entitled to a leave of absence for up to five (5) days from service in the event of death in the immediate family. Principals and supervisors shall have discretion in approving leave requests based on the particular needs and circumstances surrounding the death. Additional time may be allowed only by special permission from the superintendent. This bereavement leave shall be charged to sick leave. An employee with no available sick leave or ineligible for sick leave shall be allowed to use leave without pay.
 - (iv) Any absence not in the above-mentioned category may be charged to any vacation or personal leave balance. If there is no balance in those categories, it will be deducted at the prorated rate of yearly salary for each day.
 - (v) Personnel will receive monthly a leave and earnings statement including total sick leave accumulated and days used during the period. The statement may be verified by inspection of the individual school payroll report and/or the records of the District Accounting Office.

- [d] Employees who exhaust their accumulated sick leave may request from their principal or department head an advance of sick leave credit, but not to exceed five (5) days in any three (3) year period. If such credit is granted, the requesting employee must pay back the number of days during the following two (2) years by deducting days from unused accumulated sick leave. For employees who use sick leave credit and who cease employment, sick leave credit must be returned in cash and may be withheld from the employee's final pay check.
- [e] Classified employees who incur an extended illness which makes it impossible for them to fulfill their work duties may, upon request, be granted by the Board a leave of absence for up to one (1) year.
- [f] Upon death of an employee, the employee's estate shall receive a sum equal to twenty percent (20%) of the value of the total number of days of accumulated sick leave and based upon his/her position on the salary schedule.
- [g] Upon retirement, eligible employees may convert accumulated sick leave as specified in the Retirement Incentives provision under section 4.5.5.[c]

4.3.3. Catastrophic Sick Leave Bank

- [a] General Provisions. The District shall establish and manage a catastrophic sick leave bank from which eligible classified employees may draw leave under the conditions and restrictions outlined. Classified employees who wish to participate in the catastrophic sick leave bank program shall be required to contribute one (1) day of their available sick leave to the bank. The contribution must be made each year during the insurance open enrollment period, as designated by the District, by donating a day of sick leave through the District's electronic open enrollment process. If the bank has a substantial balance of days remaining at the end of the academic year, the Association and the District may agree to suspend the contribution requirement for the following year. Any employee who did not previously participate in the bank but who desires to participate during the non-contribution year shall be required to donate one (1) day of sick leave through the District's electronic open enrollment process during the insurance open enrollment period, as designated by the District.
- [b] Eligibility. Employees who have contributed to the bank and who have depleted their sick leave, personal leave, vacation leave, and accrued compensation-time balances shall be eligible to receive consideration for sick leave from the bank.
- [c] Requests for use of the bank. All requests for sick leave from the bank must be in writing and must be addressed to the Human Resource Director or designee. Requests may be submitted and approved any time after the required sick leave has been contributed. The requests must include the reasons for the request, written verification from the attending physician indicating the nature and severity of the illness or health problem along with the projected recovery date, and the number of sick leave days requested. (Written verification from a physician is not required for requests based on leave taken for childbirth.) The District reserves the right to approve requests, deny requests, or to approve only a portion of the leave days requested.
- [d] Criteria for Consideration. Only severe, extended illnesses and catastrophic medical problems as well as leave taken by a mother or father due to childbirth or adoption, shall be considered for leave withdrawals from the bank. Illnesses or medical problems of a short-term nature shall not be considered. Life-threatening illnesses or severe accidents requiring extended recovery periods shall be given first priority.

- [e] Maximum Use. Withdrawals from the bank shall not exceed one hundred (100) leave days per employee for own illness or twenty (20) leave days for immediate family member illness during any consecutive four (4) year period. Mothers and fathers of newborns or newly adopted children are eligible for up to five (5) days of leave from the bank for leave taken due to childbirth or adoption. For requests under the policy, "immediate family member" shall include husband, wife, son, daughter, father, mother, brother, sister. (Exceptions may be considered by the Superintendent for other relatives or for those who have virtually held the position of an immediate member of the family.)
- [f] Restrictions and Exclusions. The catastrophic sick leave bank cannot be overdrawn. If insufficient days are available in the bank to cover withdrawal requests, the requests shall be denied regardless of severity or need. Employees who receive leave days from the bank based on falsified, untrue, or misleading requests and/or physician verifications shall be required to reimburse the District for leave days granted and used.

4.3.4. Personal Leave For Less-Than-Twelve-Month Employees

4.5. RETIREMENT

4.5.1. The District participates in the Utah Public Employees' Retirement System. Eligibility for participation and benefits are determined by Utah Retirement System guidelines. When an employee is eligible for participation in the system, all pay shall be included in the retirement system contribution calculation.

4.5.2. Employees, who qualify for retirement, as defined by the Utah State Retirement System, will need to give notice of their intent to retire via the District's electronic separation notice system at least thirty (30) days prior to their date of retirement. Employees with at least five (5) but fewer than ten (10) years of Davis School District service credit and who meet the above criteria, may also apply for these benefits on a pro rata basis.
- [b] Social Security Bridge Payments
- (i) Social security bridge payments are intended to partially offset the reduction in Social Security benefits due to early retirement. Eligible retirees shall receive a contribution of sixteen percent (16%) of their earnings from their last twelve (12) months of employment into a qualified 403(b) account or a District sponsored Health Reimbursement Account, for three (3) years, or until they become eligible to receive unreduced social security benefits, whichever occurs first. The first payment shall occur within 180 days of retirement from the District. The second payment shall occur in February of the first year following a complete calendar year without contributions to the Utah Retirement System for the original position from which the employee retired. The third payment shall occur the following February.
- (ii) Employees who meet the criteria in 4.5.5(a) and who have at least twenty-five (25) but fewer than thirty (30) years of salary service credit, may voluntarily authorize the District to purchase additional salary service credit for them in the Utah State Retirement System by applying some or all of their eligible early retirement incentive contribution on a one-time lump sum basis under the following conditions:

 - (2) Employees eligible for two (2) years of contribution shall be credited with a one-time lump sum contribution of thirty-one percent (31%) of their annual salary. The District shall apply this contribution toward the purchase of additional salary service credit for the employees in the Utah State Retirement System.
 - (3) Employees eligible for one (1) year of contribution shall be credited with a one-time lump sum contribution of sixteen percent (16%) of their annual salary, to be applied toward the District's purchase of additional salary service credit.
 - (4) The District shall not purchase additional salary service credit that, when combined with an employee's current years of salary service credit, would exceed thirty (30) years of total salary service credit.
 - (5) Eligible employees shall notify the Payroll Department in writing of their request to receive a one-time lump sum contribution no later than the early retirement notification deadlines stipulated in 4.5.2.
- [c] Sick Leave Conversion
Employees qualifying for Utah State Retirement benefits and eligible to

accrue sick leave for the last twelve (12) months of their employment shall receive:

- (i) An amount paid as a lump sum employer contribution to a qualified 403(b) account or a District sponsored Health Reimbursement Account equal to twenty-one and a half percent (21.5%) of the value of the employee's accumulated sick leave.
- (ii) Employees who meet the criteria in 4.5.4(a) and who have at least twenty-five (25) but fewer than thirty (30) years of salary service credit may voluntarily authorize the District to apply some or all of the sick leave payment above, toward the District's purchase of additional salary service credit for the employees in the Utah State Retirement System. The District shall not purchase additional salary service credit that, when combined with an employee's current years of salary service credit, would exceed thirty (30) years of total salary service credit. Eligible employees who wish to exercise this option shall notify the Payroll Department in writing no later than the early retirement notification deadlines stipulated in section 4.5.2.
- (iii) If the retiree dies, the amount remaining to be paid under section 4.5.5[b] will be paid to the retiree's designated beneficiary.

[d] Post-Retirement Health and Dental Insurance

Employees who retire under the incentive program may continue to be enrolled in group medical and dental programs until they become eligible for Medicare, or for the ten (10) consecutive years following retirement, whichever occurs first. This enrollment is contingent upon the retirees contributing the same premium as required of active employees for the first three (3) years and the full premium, as determined by the District Insurance Committee, for the following seven (7) years. Retirees electing the out-of-area plan pay the difference between the District contribution to the in-area premium and the full premium for the first three (3) years and the full premium, as determined by the District Insurance Committee, for the following seven (7) years. The premium is prorated according to the authorized hours of the employee's position at the time of retirement. Retirees must also submit the necessary insurance election form within thirty (30) days following retirement.

[e] Re-employed District Retirees

District retirees receiving the incentives provided in this section shall be subject to the following benefits and conditions if they are rehired by the District:

- (i) Social security bridge payments shall continue as outlined in 4.5.5 [b]

An employee may submit a written request to the Human Resources Department to rescind the retirement request during the thirty (30) days. Unless the District grants the request to rescind, the retirement shall be considered final.
 - [h] No verbal communications or letters of intent will be accepted as application for participation in the retirement incentive program. Without appropriate completion of the "Application for Retirement Agreement and Waiver" form, no employee shall qualify for nor receive any of the benefits provided through the program.
 - [i] Benefits of this retirement incentive program provided by the District are independent of the Utah State Retirement System.
 - [j] Benefits of this retirement incentive program are not intended to be combined or coordinated with the early retirement provisions outlined in Utah Code §67-19-14.
 - [k] For purposes of determining the retirement incentive contribution, the number of years before the retiree becomes eligible to receive unreduced social security benefits as of the official last day of work shall be used. Annual leave days for which an employee receives pay following the last day worked shall not be considered in determining retirement benefits.

6.4. REQUESTS FOR ADDITIONAL HOURS

An employee, or group of employees, who consistently need more time to complete their work, may request additional time or help through their supervisor. The supervisor may forward this request to the appropriate District administrator including specific information about why additional time or help is necessary, the length of time for which the adjustment is

needed, and the budgetary impact of the request. The District shall respond to the request within thirty (30) calendar days.

6.5. EMPLOYEE SAFETY

- 6.5.1. The District will take affirmative steps to provide a safe and secure working environment for all employees. In compliance with School Board policy regarding safety, safe schools, and emergency preparedness, each school and support facility will develop individual plans that include procedures for inappropriate disruptions by students and/or adults.
- 6.5.2. Employees who are parties to an alleged assault or battery committed against them in connection with their employment shall file, within forty-eight (48) hours, a written report of the incident and circumstances thereof with their principal or supervisor, who shall be responsible to immediately forward the report to the Board of Education through the Superintendent of Schools.
- 6.5.3. The Board of Education shall consider requests for reimbursement of expenses incurred for medical or other service necessary as a result of assault upon the employees or for damage to personal property arising out of and in the course of their employment, which expenses are not paid by their insurance, worker's compensation, or the insurance provided by the Board of Education or other organized benefit program.
- 6.5.4. The employee may receive full salary if approved by the Board of Education for absence from employment as a result of injury sustained during an assault on them or for a court appearance in connection with such an assault. The period of payment of such salary will not exceed as a maximum the time until the employee could have qualified for disability payments under Social Security or the long term disability insurance sponsored by the District. If payment of such absence is approved by the Board of Education, the time shall not be charged against the employee's sick leave or personal leave days.
- 6.5.5. If civil or criminal proceedings are brought against an employee alleging that they committed assault or battery in connection with their employment, the employee, after filing the reports described hereafter, may request the cooperation of the Board of Education. Upon receiving such request, the Board of Education may request its attorney or insuring company to cooperate insofar as the interests of the District and the employee are not conflicting.
- 6.5.6. The employee shall be responsible to report and furnish copies of any summons, complaints, process, information, indictment, notice, or demand served them in connection with such alleged assault or battery immediately after they have been served therewith. The Board of Education will comply with any reasonable request by the employees, their attorneys, or insuring company for any additional information in the Board of Education's possession which is relevant to the allegations and which is not privileged by law or policy of the School District.
- 6.5.7. Payments of costs for preparing and offering defense shall be referred to the insuring companies, which shall mutually decide their proportional liability in each case. Neither the School District nor the District's insuring company shall have any liability in the payment of fines arising out of criminal proceedings.

All employees so designated shall be responsible during the declared period to help provide for the safety and well-being of students.
