

Using Payschools

Login/Register

- Go to: <https://payschoolscentral.com/>
- If you have previously used Payschool, login with your existing login information.
- If you have not used Payschool, you will need to “REGISTER”.

Set a funding source (such as a debit or credit card):

- Establish a payment source by selecting “Payment Methods”
- You may automatically replenish the account by selecting “Auto Replenishment” from the right navigation as well.

Once you’ve registered and set up a funding source, you may access your dashboard to check your balance, or change your funding source.
