

Crandall Independent School District

2023-24 TEA/UIL Academic Eligibility Calendar

This document is intended to bring clarity to the eligibility calendar for UIL participants. Specifically, be aware of the following issues:

- Grace periods for academic eligibility are seven (7) calendar days after the evaluation, with the exception of holidays.
- Academic Eligibility is determined from nine-week grades, not semester grades.
- After the 1st six weeks academic eligibility check, students may only lose academic eligibility at the nine weeks grading report.
- Students can regain academic eligibility at the three weeks progress reports, and at the nine weeks grading report.
- Students gain or lose eligibility at the end of the school day.
- All students are academically eligible during the Thanksgiving, Christmas, and Spring Break holidays.
- Following Thanksgiving, Christmas, and Spring Break holidays, ineligible students return to being ineligible until the next grade check and grace period.
- All students are academically eligible through the summer.
- Total credits from the previous year determine the first six weeks eligibility for 10th-12th students. The 2nd year of high school, they need 5 credits. 3rd year = 10 credits. 4th year = 15 credits. For 7th-9th students, promotion to the next grade means they are eligible the first six weeks.

Aug. 15– Oct. 13 - 1st Quarter

Tuesday	Aug. 15	First Day of School.	All students who have proper credits are eligible.
Friday	Sept. 1	P1 Grading Period Ends	Grades are due by midnight on Sept. 3

Crandall Independent School District

2023-24 TEA/UIIL Academic Eligibility Calendar

Grading guidelines

As noted on page 60 of the Crandall ISD Student Handbook, students who receive grades below 70 at the end of a grading period in any academic class may not participate in extracurricular activities for at least three school weeks. However, if a student receives a grade below 70, but above 59, at the end of the grading period in an Advanced Placement (AP) or a designated Honors course in English language arts, mathematics, science, social studies, economics, or languages other than English, the student remains eligible for participation in all extracurricular activities. A student who receives a grade below 60 at the end of a grading period in any advanced or honors class may not participate in extracurricular activities for at least three school weeks. The advanced and honors courses that are exempt from the “no pass, no play” requirements and utilize the local requirements are listed below. All dual credit (*) courses are exempt from all state and local “no pass no play” requirements.

If a student is enrolled in a state-approved course that requires demonstration of the mastery of an essential knowledge and skills in public performance and the student receives a grade below 70 in any course at the end of the grading period, the student may participate in a performance so long as the general public is invited.

Crandall ISD Exempted Courses 2023-24				
ELAR	Math	Science	Social Studies	World Language
