Understanding CAASPP and ELPAC Student Score Reports (SSRs)

What is CAASPP and ELPAC?

**CAASPP** (California Assessment of Student Performance and Progress) is a California statewide testing system. The CAASPP System is designed to give information to teachers, students, and their families about what students know and are able to do and whether they are on track to be ready for success in college or career when they graduate from high school. Assessments that are part of the system give one measure of how well students are mastering academic standards. The following tests are part of CAASPP:

- English language arts/literacy (ELA) Summative Assessment (Grades 3 – 8, and 11)
- Mathematics Summative Assessment (Grades 3 – 8, and 11)
- California Science Test (CAST) (Grades 5, 8, and 12)

**ELPAC** (English Language Proficiency Assessment for California) is the test used to measure how well students understand English when it is not their primary language. Information from the ELPAC helps your child’s teacher provide support in the right areas.

How can you find the Student Score Reports (SSRs)?

1) Log into the [Q Parent Portal](#) (instructions for logging into Q Parent Portal [here](#))

2) Visit the [San Juan Testing Information for Families webpage](#) for instructions to navigating Q Parent Portal and for additional resources.

3) Scan this QR code to link directly to Q Parent Portal.

For more parent/guardian resources:

For CAASPP: Visit the test score website at [https://ca.startingsmarter.org/](https://ca.startingsmarter.org/).

For ELPAC: Visit the test score website at [https://elpac.startingsmarter.org/](https://elpac.startingsmarter.org/).
