

2023-2024 PTIA Membership Form

When a high school is as unique as the International Academy, it needs a strong parent-teacher organization – the PTIA takes pride in connecting parents, supporting teachers and enhancing student experiences at the IA.

The PTIA membership dues and parent donations provide the critical funding for popular IA traditions that students enjoy, teacher grants and equipment/building renovations. PTIA is a 501(c)3 and your donation is tax deductible to the extent it is allowed by law.

Payment can be made 3 ways:

1. Check into the PTIA mailbox in the school office

Committee Support

We could not have the strong education and sense of community at the International Academy, without the support from all the parents from the different districts that make up the IA.

Check off any committees that you're interested in helping with and we'll forward your contact info to the committee chair(s). When the time comes, they'll contact you when extra help is needed!

Committees are typically chaired by two PTIA members so you always have a partner to count on!

Would you like to chair an open committee?

Mention it in the box at the end and we'll contact you!
