All courses are unweighted - 4.00 scale
90-100% Summative and 0-10% Formative
Monona Grove High School does not provide class rank.

Covid-19 Response and Impact on Grading

Spring 2020: Students moved to virtual learning during fourth quarter and a Pass/Fail grading structure was implemented. Regardless of the grade a student earned, there was no impact on a student’s grade point average.

2020-2021 School Year: Students began the year in an all virtual format but we returned to letter grades. Semester grades were calculated in cumulative GPA.
