Suffield Police Cadets

A Leadership Position in Our Community

Our Program:

Police Cadets attend scheduled meetings at the Suffield Police Department where they learn from Suffield Police Officers about police procedures along with topics such as law and government. Law enforcement officers from other agencies come to these meetings to share information on their work and other police skills such as K9 handlers, commercial truck enforcement and tactical team operations. Members in good standing can apply to attend the week long Cadet Academy held annually in the summer.

CADETS LEARN LIFE SKILLS THAT THEY CAN USE TO BE A SUCCESS ON ANY PATH THEY CHOOSE IN LIFE.

SERVICE WITH A PURPOSE:

- To foster understanding of law enforcement and community service.
- To enhance the relationship between law enforcement and the communities we serve.
- To encourage young people to consider careers in law enforcement to be the change we need to see.

Suffield Police Cadets volunteer in the community at many events to include Suffield on the Green, National Night Out, parades, road races and other town events. Every Cadet is encouraged to volunteer during the year.

The Cadet program is structured like our police department with a system of leadership to recognize the skills shown by Cadets as they grow in the program. The program is run by our School Resource Officer, Officer Randy Roman.
