

Literacy Intervention Progress Parent Notification Letter

Dear Parent/Guardian:

As previously communicated, your child scored well below on the Acadience Benchmark Screener. After intervention and progress monitoring, data shows ;
Your child completed the:

_____ **Your child MADE adequate progress.**

Based on this result, your student will continue to be progress monitored through the RIMP established at the beginning of the year.

_____ **Your child made LIMITED progress.**

Based on this result, your student will be provided the Acadience Diagnostic Screener. This information will be used to determine if further progress monitoring and intervention is needed. The results of the diagnostic will be sent home for you to review.

We are committed to your child's academic success and are pleased to have the opportunity to continue to provide your child with the necessary reading instruction and support. Families are encouraged to frequently discuss the student's progress with the school. Progress will be reviewed using progress monitoring tools, classroom work, teacher observations, tests, and other relevant information. The strategies may be revised based on progress monitoring.
