## Principal's Message

Ellen Green

At Memorial Middle School (MMS), we are dedicated to fostering a vibrant and ever-evolving learning atmosphere that empowers our students to unlock their limitless potential both within and beyond the classroom. Our comprehensive range of courses and extracurricular activities provide a platform for students to delve into their passions, cultivating a strong sense of self and charting their paths to success. By immersing themselves in the rich experiences offered at Memorial Middle, every student will develop the Core Characteristics of a T-2-4 Ready Graduate, equipping them with the knowledge and skills necessary to thrive as informed, well-rounded members of society.

## About Memorial Middle

With a focus on preparing learners to compete successfully in a highly diverse and global community, MMS focuses on providing high-quality instruction with personalized support to Every Child. More than 55 languages are spoken at MMS, which highlight the diversity and uniqueness of each student. Eleven advanced academic classes are offered and students have the opportunity to choose from 38 electives that will help them discover their pathways. Students can not only excel academically but they can also get involved in a variety of extracurricular activities, including athletics and state-recognized fine arts programs.

## Athletics

MMS offers a wide variety of sports to students, including football, volleyball, basketball, cross country, soccer and track. Participating in athletics during middle school holds immense value as it promotes physical health, instills a sense of discipline, and fosters a spirit of camaraderie. Through teamwork, competition, and perseverance, students gain valuable experiences that enhance their resilience, time management, and goal-setting abilities, preparing them for future challenges both on and off the field.

## Student Supports

MMS takes great pride in its comprehensive approach to student development, where the professional school counselor plays a pivotal role in collaborating with staff, students, families, and the community. Their primary objective is to provide substantial and holistic support to students, enabling them to thrive academically, emotionally, and personally. One of the key aspects of MMS's student support system is the provision of academic support classes. These classes are designed to address various needs, ranging from basic skill development to state assessment preparation and enrichment programs. By focusing on fundamental skills, students can build a strong foundation upon which to enhance their academic abilities.
