

7TH GRADE ELA-READING

Students make connections to characters and story plots through narratives, biographies and collaborative discussions

LANGUAGE

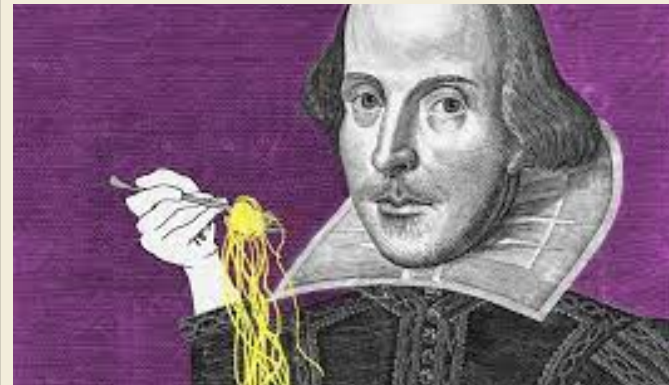

- Through the concept of choice, students will read poems and biographies to analyze language in personal narratives.

- Students will focus on informational text to analyze and research different genres (Ads, films, news articles)

- Students will analyze visuals (timelines, graphic organizers, charts) to create comparisons

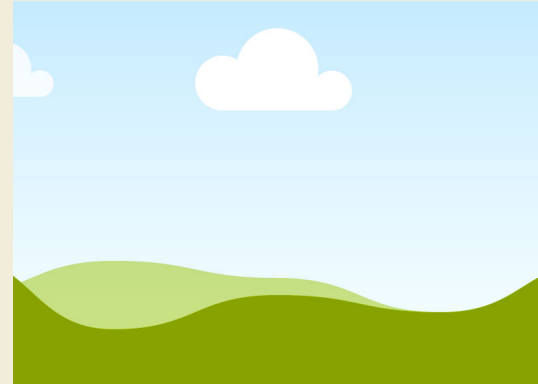

- Students will delve into the world of drama and Shakespeare as well as analyzing the audience

7TH GRADE ELA- WRITING

- Students will develop and revise a personal narrative about choice

- Students will develop expository essays to enhance the collaborative discussions and arguments

- Students will develop a literary analysis with inferencing and synthesizing information. They will also create a biographical presentation.

- Students will develop monologues and present them as well as perform dialogues.
