

# 9TH GRADE ELA-READING

Students are introduced to different genres of text that analyze perspectives and ideas to make personal connections.

- Students will analyze and delve into an author's craft through reading various short stories.

- Students will focus on poetry and drama by analyzing and finding meaning and connections in the text

<b>CLAIM</b> 	A statement that answers the question
<b>EVIDENCE</b> 	The scientific data and details that support your claim
<b>REASONING</b> 	Explains "how" or "why" the evidence supports the claim. Aka the scientific rule

- Students delve into research by analyzing claims, evidence and reasoning in data, writing and characterization.

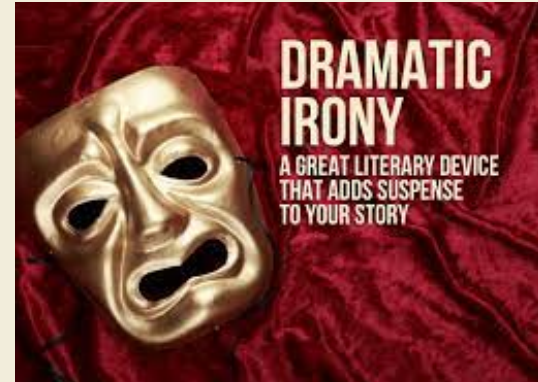

- Students draw from their experiences throughout the years to analyze literature and historical evidence

# 9TH GRADE ELA- WRITING
