

Strategic Plan

2023-2024

WILLIAMSON CENTRAL SCHOOL DISTRICT

STRATEGIC PLAN

2023-2024 School Year

1

STUDENT ACHIEVEMENT

Improve student achievement and growth by cultivating and supporting a vision of active learning in a supportive, respectful environment..

2

EDUCATING THE WHOLE CHILD

Improve student achievement by cultivating a culture of PRIDE that nurtures a learning community that inspires character, service, knowledge and wisdom.

3

STAFF DEVELOPMENT

Improve student achievement with a progressive PK-12 professional development model that supports the growth of life-long learners and fosters shared accountability for student performance.

4

COMMUNITY PARTNERSHIPS

Improve student achievement by demonstrating civic involvement in global and local communities and building student-community connections while ensuring environments are healthy, safe, and conducive to learning and working.

5

FISCAL RESPONSIBILITY

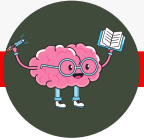

Improve student achievement with a budget that reflects prudent financial planning while balancing the needs for all students, instructional goals, improved technology, and facilities, while minimizing the impact to taxpayers.

2023-2024 STRATEGIC PLAN

ESSENTIAL OBJECTIVES

STUDENT ACHIEVEMENT

- Utilize levels of support and appropriate interventions to:
- Achieve sufficient growth year over year to decrease the proficiency gap
- Support all students in meeting graduation requirements
- Increase student awareness of post-graduation pathways and opportunities

EDUCATING THE WHOLE CHILD

- Utilize levels of support and appropriate interventions to:
- Increase student engagement and connection to their school and community.
- Increase student attendance
- Ensure all students have access to social emotional learning and supports
- Foster pro-social behaviors

STAFF DEVELOPMENT

- Partner with all staff to develop and implement strong professional learning practices, being role-models for lifelong learning.
- Promote and foster teacher leadership in curriculum and instruction
- Ensure consistency and alignment of best practices UPK-12
- Foster strong relationships with students, families, each other, and the whole school community

COMMUNITY PARTNERSHIPS

- Utilize community agencies and resources in our multi tiered system of supports
- Collaborate with community partners to optimize school safety and security
- Collaborate with community agencies and resources to promote personal, school and community wellness
- Work with community partners to create opportunities for students

FISCAL RESPONSIBILITY

- Prepare reasonable and educationally sound budget/policies
- Identify and evaluate alternative fiscal strategies
- Update five year budget projections annually
