

# Advanced Placement Information

FAHS offers 12 AP courses taught by highly-qualified FAHS teachers who use the *AP Course Descriptions* to guide them from the CollegeBoard Association. The Course Description for each discipline outlines the course content, describes the curricular goals of the subject and provides sample examination questions. While the Course Descriptions are a significant source of information about the course content on which the AP Exams will be based, AP teachers have the flexibility to determine how this content is presented.

- CollegeBoard Website: [AP CollegeBoard Website](#)
  - If you are enrolled in an AP course, you must create a collegeboard account.
    - If you create a CollegeBoard account, you need to use a personal e-mail address, not your Fleetwood student email address.
    - If you already have a CollegeBoard account, you can use that account to access your AP information

FAHS offers the following AP courses:

- English
  - AP English (12th grade), the prerequisite is Accelerated English (11th grade)
- Science
  - AP Biology (11th grade), the prerequisite is Accelerated Biology (10th grade)
  - AP Chemistry (12th grade), the prerequisite is Accelerated Chemistry (11th grade)
  - AP Physics C- Mechanics (12th grade), the prerequisite is AP Calculus, either completed or concurrently enrolled
- Math
  - AP Calculus (12th grade)
  - AP Computer Science Principles (10th- 12th grade)
  - AP Computer Science A (10th -12th grade)

- AP Statistics (11th or 12th grade)
- Social Studies
  - AP World History (10th grade)
  - AP U.S. History (11th grade)
  - AP U.S. Government, ½ year (12th grade)
  - AP Macroeconomics, ½ year (12th grade)

Exams are scored by a 5-point rubric, with 5 being the highest. Although guidelines for acceptance for credit vary among colleges and universities, most will give credit for courses where students earned a 3, 4, or 5 on the AP exam. Students can access their scores online in July and request that their scores be sent to their choice of colleges and scholarship programs using their AP account. The cost per exam is \$97.00; however, the cost per exam varies based on if the student receives free/reduced lunch.

Students enrolled in yearlong courses and AP Government may unregister from the exam, for free, until **TBA. After that date, there will be a \$40.00 cancellation fee per CollegeBoard cancellation deadline and policy.**

Students enrolled in AP Macroeconomics may unregister from the exam, for free, until **TBA. After that date, there will be a \$40.00 cancellation fee per CollegeBoard cancellation deadline and policy.**

If you have a scheduling conflict (i.e., sporting event, school activity, college course final exam), please contact Mrs Wise to discuss late testing options.

**2024 Exam Schedule** to be announced.

If you have any questions, please reach out to Alexis Wise at 610-944-7656 ext 20523.
