The administration and staff believe that middle school is the developmentally appropriate time for students to begin thinking about their futures. The Canal Winchester Middle School is committed to providing career exploration, interest inventories, and personality surveys to help each individual child understand their areas of strength and areas of refinement. Our goal is to prepare our students for the variety of options presented to our high school students in preparation for their continued success upon graduation. Through parenting with a variety of stakeholders, we can ensure a wide exposure to a variety of career paths that include Enrollment, Enlistment, and Employment.

FOREWORD

This student handbook was developed to answer many of the commonly asked questions that students and their parents may have during the school year. Because the handbook contains information about student rights and responsibilities, each student is responsible for knowing its contents. Please take time to become familiar with the following information and keep the handbook available for your own use and your parent/guardians use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstandings when questions arise. Should you have any questions that are not addressed in this handbook, contact the principal. This handbook supersedes all prior handbooks and other written material on the same subjects.

SECTION 1 – HEALTH AND WELFARE ITEMS

Immunizations

Students in grades K-12 are required to have proof of immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis B, chicken pox, meningitis, tuberculosis testing if enrolling from a foreign country, and any other immunizations required by Ohio law and board policy. Those students not providing proof of required immunizations within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the school health staff. In addition to the immunizations listed above, preschool students are required to have proof of immunization against influenza, haemophilus influenza type b, pneumococcal disease, hepatitis A, and rotavirus.

Physical Examinations

Students entering preschool, kindergarten and first grade students new to the district must have a physical exam within twelve (12) months prior to attending school. The healthcare provider is to complete the Child Medical Statement (preschool) or Physical Exam Report (kindergarten/first grade) and this form is stored in the student’s medical file in the school health office. Students who have not submitted these forms may be excluded from school if not submitted within the first thirty (30) days of school. Preschool students must have a physical exam and submit a new Child Medical Statement every thirteen (13) months thereafter, as long as they are enrolled in preschool.

First grade students new to our district and all students in preschool and kindergarten must have a physical exam within twelve (12) months prior to attending school. The healthcare provider is to complete the Child Medical Statement (preschool) or Physical Exam Report (kindergarten/first grade) and this form is kept in the student’s medical file in the school health office. Preschool students must have a physical exam and submit a new Child

Medical Statement every thirteen (13) months thereafter, as long as they are enrolled in preschool.

Wellness Policy

As required by law, the Canal Winchester Board of Education has established a Wellness Policy for the Canal Winchester Local School District. The board of education recognizes that good nutrition and regular physical activity affect the health and well-being of the district's students and staff. Each building has developed goals to establish good health and nutrition habits through nutrition education, physical activity and other school-based activities.

Injuries

Injuries occurring during school should be reported to a teacher, school health staff or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school health staff is required, the school emergency procedures will be followed. For any injury, in or out of school, procedure or surgery which causes functional changes, documentation is needed for any activity restriction (i.e. stair climbing, limitations, physical education or sport restrictions). To ensure safety and proper accommodations, a note from the student's care provider is required if the student needs to use the elevator, any assistive devices such as wheelchair, or crutches during school. Additional follow up from the care provider is required releasing the student to return to regular activity once fully recovered.

Illness

If a student becomes ill during the school day, they will be sent to the school clinic. The school health staff or the office staff will determine whether or not the student should return to class or be sent home. If it is deemed necessary for a student to leave school, a parent/guardian or an individual listed as an emergency contact will be contacted to pick up the student or requested to make arrangements for pick up. Upon arrival at the school for student pick up, after providing proper identification the parent/guardian or emergency contact will sign the student out in the school office. High school students with their own transportation who have been assessed in the school clinic, are deemed safe to drive and have parent/guardian permission, may then drive themselves home. Students are not permitted to stay in the school clinic during the school day. Any student that is ill and required to leave school should be picked up or arrangements made for pick up within a reasonable amount of time. Students are required to be fever-free for 24 hours without the use of fever-reducing medication and 24 hours symptom-free of diarrhea or vomiting prior to returning to school.

Emergency Medical Authorization Forms

All students are required to have a Student Health History and a Student information Form, which includes Emergency Medical Authorization, completed and updated annually. These forms are accessed online in PowerSchool on the school website and are to be completed by the third day of school. Parents/guardians are requested to update PowersSchool forms when health information, medications, allergies, telephone numbers, addresses and/or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made.

A reasonable attempt to contact the parent/guardian prior to transport will be made.

Conditions Requiring Exclusion from School

The Ohio Department of Health has provided strict guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your child and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by the school health staff or office staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to; strep throat, conjunctivitis, ringworm, skin infections and scarlet fever
- Fever of 100 degrees F. or higher within 24 hours
- Vomiting or diarrhea within 24 hours
- Undiagnosed redness and secretions from the eye/s
- Scabies, until 24 hours following initial treatment of an effective scabicide
- Impetigo, until 24 hours after starting an effective antibiotic, all lesions are dry or can be covered by clean dry bandages at all times
- Chicken pox, until the 6th day after onset of rash or until lesions are dry, (students with shingles do not need to be excluded as long as sores are covered with clothing or bandages until sores have crusted)
- Undiagnosed rash – as per the guidelines submitted by the Ohio Department of Health, Division of Infectious Diseases, “all children sent to school with suspicious rashes must be excluded from school until the rash has been diagnosed by a physician”

Control of Casual Contact Communicable Diseases

Because schools have a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school’s professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease. Specific diseases include, but not limited to; diphtheria, scarlet fever, strep infections, pertussis (whooping cough), mumps, measles, rubella, head lice and other conditions indicated by the local and state health departments. Any removal will be for the contagious period as specified in the school’s administrative guidelines and per the department of health requirements.

Use of Medications

The Canal Winchester Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours and school sponsored functions will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours or if the child is disabled and requires medication to benefit from his/her educational program.

For the safety of our students, the transportation of prescription medications to and from school is the responsibility of the parent/guardian. For the purposes of this policy, "prescribed medication" shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. "Treatment" refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as catheterization.

Prescription Medications

Before any prescription medication or treatment may be administered to any student during school hours or school sponsored functions, the Canal Winchester Board of Education requires the student's physician/licensed prescriber and parent/guardian to complete a Medication Authorization Form. **The authorization form is required to be renewed each school year.** This document shall be kept on file in the school health clinic. Prescription medication must be in the original container, labeled with the date, student's name, prescriber's name and exact dosage. The Medication Authorization Form is required to be completed by a licensed prescriber and the parent/guardian for daily use or greater of any supplement, herbal, homeopathic or non-FDA regulated medication. Staff designated by the superintendent may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. **All prescription medications must be stored and locked in the school health clinic.**

Non-Prescription/Over-the-Counter Medications

Students in grades K-12 may have over-the-counter medication if the required Non-Prescription Medication Authorization section of the Student Health History has been completed in PowerSchool. **All medications must be provided by the parent/guardian** to be stored only in the school health clinic and *administered by authorized school personnel, the child's parent/guardian, or authorized caregiver only.* Students in **grades 6-12** may carry and self-administer over-the-counter medications only when indicated by the parent/guardian on the Non-Prescription Medication Authorization section of the Health History in PowerSchool. **Canal Winchester School District does not supply medications.** Non-prescription medications must be in **the original container** with the student's name, expiration date, dosing guidelines to validate appropriate dose for age and/or weight. Examples of non-prescription medications are: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cough drops, and lactase products. Parents/guardians can revise the authorized medication list at any time in PowerSchool within the Health History Form..

Students in preschool who need over-the-counter medication during school hours are required to have a Medication Authorization Form completed by the licensed prescriber. See the Preschool Parent Handbook for more information.

Any medication or medication equipment remaining at the end of the school year will be discarded one week after the last day of school.

Health Screening Programs

The Canal Winchester Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your child's educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist to provide important information about each student. You will be notified if any of the screenings indicate problems or if there is a need for further medical advice. If you do not wish your child to participate in any of these screening programs, please contact the school immediately.

The evaluations that may pertain to your child (age and/or need appropriate) are listed below:

- Hearing screening
- Height and weight screening
- Speech/language screening
- Vision Screening

In addition to these screenings, the nurse, school health staff and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

STUDENT RIGHTS AND RESPONSIBILITIES

FIRST AMENDMENT RIGHTS

In accordance with Board policies 5722 and 9700, students have the right, protected by the First Amendment to the U.S. Constitution, to exercise freedom of speech. This includes the right to distribute or display, at reasonable times and places, unsponsored written material, petitions, buttons, badges, or other insignia, **except expression which:**

- Is obscene, libelous, pervasively indecent or vulgar;
- Advertises any product or service not permitted to minors by law;
- Constitutes insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion, or ethnic origin);
- Presents a clear and present likelihood that, either because of its content or the manner of distribution or display, it will cause a material and substantial disruption of school or school activities, a violation of school regulations, or the commission of an unlawful act.

Material may not be displayed or distributed during or between class periods. Permission may be granted for display or distribution during lunch periods and after school in designated locations, provided exits are not blocked and proper access and egress to the building are maintained. Parents have the right to know how their child is

succeeding in school and will be provided information on a regular basis and as needed.

Many times it will be the responsibility of the student to deliver that information. If necessary, the mail or hand delivery may be used to insure contact. Parents are encouraged to build a two-way link with their child's teachers and staff by informing the staff of suggestions or concerns that may help their child better accomplish his or her educational goals.

The staff expects students to arrive at school prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program. If, for some reason, this is not possible, the student should seek help from the principal or school counselor.

NOTICE OF NONDISCRIMINATION POLICY - EQUAL EDUCATIONAL OPPORTUNITY

It is the policy of this district to provide an equal opportunity for all students. Any person who believes that the school or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, has the right to file a complaint with the principal.

Complaints will be investigated and a response provided to the person filing the complaint. Under no circumstances will the District threaten or retaliate against anyone who raises a complaint. For more information, reference Board policies 2260, 5517, 5517.01 available on the web at cwschools.org.

STUDENT WELL BEING

Student safety is a responsibility of the students and staff. All staff members are familiar with emergency procedures such as fire, tornado, safety drills, and accident reporting procedures. Should a student be aware of a dangerous situation or accident, s/he must immediately notify a staff member.

Schools in the Canal Winchester School District, have Threat Assessment Teams which meet the requirements of the S.A.V.E. Students Act. Team members have completed threat assessment training that has been approved by the Ohio Department of Education and the Office of the Attorney General. In addition, the District has an anonymous reporting system (Stay Safe, Speak Up!) that can accessed from the home page of the District's web site, www.cwschools.org. At this site, you can report any situation that you feel puts a child's safety at risk.

SECTION 2 - GENERAL INFORMATION

Early Dismissal - Early dismissal for inclement weather will automatically cancel all after-school activities.

Cancellation of School Day - All activities are automatically canceled when school is canceled.

Automated Notification System Statement

This program allows the immediate notification to all households and parents, by telephone, of any critical or unplanned event that will cause school cancellation, delay or an early dismissal. The school will continue to use radio and television to broadcast school closings and delays due to weather. The system will also be used for general announcement calls, for example a reminder of parent/teacher conferences or other important school information.

NOTE: Students will report to homeroom upon arrival. Parents, please review alternate plans with your child.

ENROLLING IN SCHOOL

Students are expected to enroll in the attendance district in which they live. Students who are new to the Canal Winchester School District are required to enroll with their parents or legal guardian. When enrolling, the parents must bring:

Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. FIRE, TORNADO, AND LOCK DOWN DRILLS

The school complies with all fire safety laws and will conduct fire drills in accordance with State law. Students will practice the fire, tornado, and lock-down drills throughout the year. Students are expected to become familiar with each drill, observe the procedures developed, and comply with teacher/administrator expectations and directions before, during and after the implementation of the drill. Evacuation procedures are posted in each classroom.

INDIVIDUALS WITH DISABILITIES

The Americans' with Disabilities Act (A.D.A.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities.

The Canal Winchester School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEAA).

A student can access Special Education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the school wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the Director of Special Education or the Building 504 Representative.

DIRECTORY INFORMATION NOTICE

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Canal Winchester Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephones listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. If you do not want Canal Winchester Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing.

Canal Winchester Schools has designated the following information as directory information:

- o Student's Name
- o Participation in officially recognized activities and sports

- o Weight and height of members of athletic teams
- o Degrees, honors, and awards received
- o Date of graduation
- o Major field of study
- o Dates of attendance

The primary purpose of directory information is to allow the District to include this type of information in certain publications such as: a playbill, showing your students role in drama or musical productions, yearbook, honor roll or other recognition list, and graduation programs.

Please contact the school's guidance counselors if you wish to have this information blocked from the above businesses that work with school districts.

NETWORK AND INTERNET GUIDELINES

The use of the District's network and technology resources by students is a privilege, not a right. Students and their parents agree to the adopted Acceptable Use Policy and Rules set forth in the Student/Parent Handbook unless a completed "opt out" form is submitted. Students are required to obtain a network user account and password from the technology instructor in order to gain access to the network. Violation of this policy will result in disciplinary action as deemed appropriate in the Student Code of Conduct.

PERSONAL ITEMS

CWMS students will supply any electronic equipment or devices necessary for participation in the educational program. Students shall not use any electronic equipment on school property or at any school sponsored activity without the permission of a building principal. Examples of prohibited devices include but are not limited to radios, MP3 players, iPods, iPads, portable TV's, electronic games/toys, cell phones, smartwatches, or other electronic communication devices, and the like. The use of approved non-disruptive devices to enhance learning in the classroom will be pursued when deemed appropriate at each individual teacher's discretion. Students should be

aware that these devices are to be used for educational purposes. Each teacher will have the discretion to limit or forbid the use of students' non-disruptive personal electronic devices in their classroom. A student's use of their non-disruptive personal electronic device on school property is a privilege, not a right. Students may be denied access at any time.

The lost and found is located in the cafeteria. If you have lost an article, please come to the main office and describe the item for identification. Please bring items found to the office so that others may have an opportunity to reclaim them. Unclaimed items will be donated to charity at the end of the semester.

SCHEDULING AND ASSIGNMENTS

Schedules are provided to each student at the beginning of the school year or upon enrolling. The schedule is based upon the student's academic needs and available class space. Students who have questions or concerns regarding their individual schedule should contact the school counselor for further information.

SCHOOL VISITATION

All adult members of our community are welcome to visit the school. If a disabled person visits the school and requests accommodation s/he may submit in advance of the visit, **Request for Accommodation Form** (9160A). For safety and security, any meetings with building personnel need to be scheduled in advance directly with the personnel or building administrative assistants. Meetings that are not previously scheduled cannot be accommodated.

To avoid interruption of the educational process, students are **not** permitted to bring visitors to school. State law requires any person visiting the school to report directly to the office and secure a visitor's pass. Teachers have an assigned period of time when conferences can take place. Any conference with teachers should be scheduled in advance. Parents must report directly to the office upon entering the building. 24-hour notices of classroom visits are required.

Parents/Guardians are welcome to serve as classroom volunteers at CWMS. In order to do so, one must complete the district volunteer form located on the school district webpage under the **Families** tab.

Visitor Requests to Use School Facilities to Provide Private Services

Except in unique circumstances or an isolated instance, schools will not make facilities available for private-service providers, such as doctors, psychologists and therapists, to provide services to students at school – either in person or remotely. Parents may remove their children from school to receive private services off campus. However, parents are encouraged to schedule private services at a time that does not conflict with the student's school day.

STUDENT RECORDS

The teachers, school counselors and administrative staff keep many student records. There are two basic kinds of records—directory information and confidential records. A confidential records request can be made available upon request from a parent, guardian or a Records Control Officer in writing within five (5) business days from the date of this notification. Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released

with the written consent of the parents, the adult student, or a surrogate. Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The school must have the parents' written consent to obtain records from an outside professional or agency. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent through the originator and parents should keep copies of such records for their home file. Parents may also provide the school with copies of records made by non-school professional agencies or individuals.

Students and parents have the right to review educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact the school counselor, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

MIDDLE SCHOOL ATHLETIC PHILOSOPHY

It is the belief of the CW Athletic Department that middle school athletics are designed to be a learning experience that prepares our student-athletes for the rigor of high school. Our programs are designed to help our young people in the following areas: time management, organization, teamwork and accountability. We expect our student athletes to set the example in the classroom, on the field, and in the community. We want to encourage all middle school students to be a part of our programs knowing that we have high standards and expectations. Athletes who participate will be expected to follow school rules and portray themselves in a positive manner outside the school as well. Our student-athletes represent Canal Winchester and we fully expect each athlete to carry themselves in a positive manner.

All athletes must follow ALL rules and regulations as set forth in the Canal Winchester Student Handbook. Your actions and words are susceptible to the code of conduct 24 hours a day, 365 days a year.

Violations, by an athlete, of the student code of conduct may result in school and/or sport specific consequences as determined by the athletic director and/or coach.

Middle School Sports Information:

- 1) All potential athletes must have a **valid physical** on file and have all online forms filled out via **PowerSchool** and **Final Forms** before being able to participate.
- 2) Once teams are set, each player must submit the pay to participate fee. This payment does not guarantee playing time.
- 3) Some sports will have cuts. Each sport carries a different number, and athletes not chosen will be cut in a respectful manner.
- 4) Not all athletes will get to play in every game or have the same amount of playing time. Each coach has discretion in this area.
- 5) Winning is important, but not as important as winning the right way. We will follow all OHSSA, OCC, and CWLS rules as they pertain to each sport.
- 6) We want our student athletes to have fun!! We want to encourage and embrace the enjoyment our young people get out of being a part of a team.

PAY TO PARTICIPATE

Pay-to-Participate fees for the 2023-2024 school year are \$100. There is NO family maximum cap. There is NO payment plan for pay-to-participate activities. **Pay-to-participate fees must be paid before a student will be considered eligible for participation in a contest.** Eligibility requirements for extracurricular sports are established by the Ohio High School Athletic Association (OHSAA). The following are the eligibility requirements for 7th and 8th grade students as required by OHSAA. Students must be enrolled in at least four classes and must have received passing grades in at least four classes the previous grading period. Additional criteria exist, and can be located from the District Athletics website.

SECTION 3- ACADEMICS

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the co-curricular program. No student may participate in any school-approved trip without parental consent. Student Code of Conduct rules apply to all field trips. A Canal Winchester Middle School student may not attend any field trip without parental consent and completion of Parent One View online forms.

Note: Teams may add participation rubrics, point systems etc. in association with field trip requirements.

GRADES AND GRADING

Canal Winchester Middle School has a standard grading procedure, as well as additional notations that represent work in progress or incomplete work. The purpose of a grade is to indicate the extent to which the student has acquired the necessary learning. Grades can be located using the PowerSchool platform. In general, students are assigned grades based upon test results, homework, projects, classroom participation, summative, and formative assessments. Each teacher may place a different emphasis on these areas in determining a grade and will so inform the students at the beginning of the course work. If a student is not sure how his/her grade will be determined, s/he should ask the teacher.

ACADEMIC INTEGRITY FOR MIDDLE SCHOOL STUDENTS

Academic Integrity is established when the student assumes responsibility and works in relationship with the educational community to uphold the value of individual credit and learning.

Collaboration is the opportunity to work with others on an assignment when expressly permitted by the teacher but does not imply that students share or copy another’s work unless permitted by the teacher in writing.

Intellectual property is a person’s thoughts, ideas, and/or words used in a publication or in work submitted for credit.

Use of Artificial Intelligence/Natural Language Processing Tools

Staff are permitted to use Artificial Intelligence and Natural Language Processing (NLP) tools (collectively, “AI/NLP tools”) to accomplish their job responsibilities so long as the use is ethical, responsible, and does not violate any provisions of this policy – e.g., it does not infringe on students’ or staff members’ privacy rights, violate their duty to maintain confidentiality related to personally identifiable information, etc.).

With respect to students, it is the Board’s policy that they are required to rely on their own knowledge, skills, and

resources when completing school work. In order to ensure the integrity of the educational process and to promote fair and equal opportunities for all students, except as outlined below, students are prohibited from using AI/NLP tools to complete school work. The use of AI/NLP tools without the express permission/consent of a teacher is considered to undermine the learning and problem-solving skills that are essential to students' academic success and that the staff is tasked to develop in each student. Consequently, students are encouraged to develop their own knowledge, skills, and understanding of course material rather than relying solely on AI/NLP tools, and they are expected to ask their teachers when they have questions and/or need assistance. Students' unauthorized use of AI/NLP tools is considered a form of plagiarism and any student found using such tools without permission or in a prohibited manner will be disciplined in accordance with the Student Code of Conduct.

Notwithstanding the preceding, students are allowed to use AI/NLP tools in the school setting if they receive prior permission/consent from their teacher, so long as they use the AI/NLP tools in an ethical and responsible manner. Teachers have the discretion to authorize students to use AI/NLP tools for the following uses:

1. Research assistance: AI/NLP tools can be used to help students quickly and efficiently search for and find relevant information for their school projects and assignments.
2. Data analysis: AI/NLP tools can be used to help students analyze, understand, and interpret large amounts of data such as text documents or social media posts. This can be particularly useful for research projects or data analysis assignments- e.g. scientific experiments and marketing research
3. Language translation: AI/NLP tools can provide grammar and spelling corrections, as well as suggest alternative word choices and sentence structure to help students improve their writing skills.
4. Accessibility: AI/NLP tools can be used to help students with disabilities access and understand written materials. For example, text-to-speech software can help students with specific learning disabilities or visual impairments to read texts, and AI-powered translation tools can help students with hearing impairments understand spoken language.

Academic Dishonesty

Failure to appropriately acknowledge another's intellectual property in one's own work, to falsify facts or misuse information, to use unauthorized materials during a test, quiz, or exam, or to assist or contribute to another's academic misconduct.

If a student is concerned that his or her work may violate academic integrity, then it is the responsibility of the student to confer with the teacher prior to submitting work for credit.

Definitions

Cheating: The act of deception by submitting work as one's own. This includes, but is not limited to copying another student's assignment either all or in part or supplying a student with another's assignment (unless specifically permitted by the teacher). Cheating also includes using unauthorized materials such as notes, books, prohibited technology, calculators, AI/NLP without permission, or computers during a test, quiz, exam, or project. Students may not share information on tests, quizzes, and projects unless the teacher has explicitly given permission to do so.

Plagiarism: The act of presenting the published ideas or words of another as one's own. This includes but is not limited to books, poems, speeches, films, TV, newspapers, magazines, and Internet media. Using information from such sources requires proper citations and formatting in order to give credit to the author or speaker. Furthermore, any revision or paraphrasing of the original work must also receive correct citations.

Forgery: The act of altering signatures, school related forms, documents, or records (either paper or electronic form)

for an academic advantage.

Stealing: The act of taking academic information for personal gain. Examples include, but are not limited to, taking another student's work without permission, taking an exam key, removing a test from a teacher's room without permission, obtaining electronic material from a teacher's computer, or keeping test booklets instead of returning them to the teacher.

Falsification: The act of producing unauthorized, intentionally misleading information regarding a source or creating unclaimed references for academic credit. Although the assignment may contain the appearance of legitimate sources and citations, the actual sources of information do not exist.

"Academically Honest Students" do the following:

- o His/her "own" work
- o Acknowledge help received from parents, other students, and friends
- o Acknowledge the source of direct quotations used in their work
- o Acknowledge information taken from books, databases, the internet, and the use of someone else's intellectual property
- o Acknowledge reference materials in a bibliography or the use of citations
- o Work collaboratively with others while still producing individual ideas
- o Know what constitutes cheating and abides by the rules

Academically Honest Students "do NOT" do the following (**unless allowed by the teacher**):

- o Use notes during an assignment
- o Copy another student's answers
- o Allow other students to copy their answers
- o Communicate with other students during an assignment
- o Copy homework from another student
- o Submit someone else's work as their own
- o Allow "another" student to turn in their work and claim it as theirs
- o Submit assignments without proper citation or a bibliography

A student accused of academic dishonesty will be determined based upon evidence gathered by a teacher's or other supervisor's observations, materials, and/or information. Concerns provided by others, including staff or students, may also be taken into consideration.

SCHOOL COUNSELING SERVICES

School counselors are available to talk with individuals or small groups about their academic, personal or social concerns. As the school counselor assists students in discussing feelings, sorting out difficulties, problems, and exploring options, it may help the student to understand the steps to decision-making or the problem-solving model. Referring the student for additional help will be made as necessary. Other opportunities for the learning of important information to assist students may include classroom visits, where such topics may be covered:

- .. Study and Organizational Skills
- .. Communication Skills
- .. Problem-Solving, Decision-Making
- .. Stress Management/Test Anxiety
- .. Career and Educational Planning
- .. Conflict Resolution

Guidance services also include assistance to teachers and parents and coordination of school programs and events, all contributing to the learning environment.

HOMEWORK

Homework will be assigned to reinforce skills learned in school and to develop responsibility in completing tasks. Homework can be defined as unfinished classwork, long term projects, weekly review sheets, studying for tests, quizzes, math facts, etc.

The office will collect homework for absent students only **after the third day** of non-attendance. Homework, tests, reports, or projects that were assigned in advance of the absence are due upon returning, if no additional information/material was provided during the absence. A student is allowed an amount of time equivalent to the time of absence to make-up assignments.

HONOR ROLL

These are the following levels for the CWMS honor roll:

Gold Level: 4.0 and above.

Silver Level: 3.2 – 3.99.

Bronze: 3.0 – 3.19.

This will be calculated at the end of each quarter.

FAMILY TEACHER CONFERENCES

Canal Winchester Middle School will hold Family Teacher Conferences on specific dates throughout the year. These occasions are meant to help open the lines of communication between parents and teachers. If additional time or conferences are needed, arrangements may be made through the teacher or by contacting the office.

PROMOTION, RETENTION, PLACEMENT

In making decisions concerning proper grade level assignment, **retention and promotion**, the following areas will be

taken into consideration in grades 6-8:

1. teacher assignment of student's progress
2. developmental age of the student
3. social and emotional well-being of the student
4. attendance of the previous year
5. test results

In cases of retention, the parent will be contacted in advance, although the final decision will rest with the principal, with an appeal to the superintendent. **Placement** in the next grade may be noted on record rather than promotion if a student's work continues to be unsatisfactory after retention. Remediation options are available as well such as daily remediation groups and summer school. Students who are not meeting grade level expectations will be encouraged to participate in these remediation opportunities.

FINAL GRADES/INTERIM REPORTS

Interim grades will be updated to show progress at the halfway point of each grading period on PowerSchool. Final grades will be issued and posted after each nine weeks of instruction.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with Ohio State Standards and District policy. Unless exempted, each student will be expected to pass the appropriate State Assessment. Additional group tests are given to students to monitor progress and to determine educational mastery levels. These tests are used to help the staff determine instructional needs.

SECTION 4 - NON SCHOOL-SPONSORED CLUBS/ACTIVITIES

COMMUNITY GROUPS

Non school-sponsored student groups organized for religious, political, or philosophical reasons may meet during non-instructional hours. The application for permission can be obtained from the principal. The application must verify that students are initiating the activity, attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities and that non-school persons do not play a regular role in the event. School rules will still apply regarding behavior and equal opportunity to participate.

Membership in any fraternity, sorority, or any secret society as prescribed by law is not permitted. All groups must comply with school rules and must provide equal opportunity to participate.

Non-district sponsored organizations may not use the name of the school or school mascot.

SECTION 5 – TRANSPORTATION

BUS TRANSPORTATION TO SCHOOL

Middle School transportation will NOT be provided to students living beyond the limited boundaries. The bus schedule and routes are available by contacting the Transportation Supervisor at 614-833-2164.

Transportation, beyond the limited boundaries, will be to and from the student's home or pick-up point and school ONLY. Upon dismissal, all students are expected to board their buses.

Students may be permitted to ride a bus other than their assigned bus with permission from the office (e.g. may include administrator, secretary etc.) before dismissal. Please keep in mind that bus passes can be denied for any reason and the bus pass must be presented to your student's bus driver.

BUS CONDUCT

The school bus driver's authority and responsibility is to maintain control of students.

When accused of something that could result in a suspension of riding privileges, your child has a right to due process as provided for by the policies and procedures outlined in their student handbook.

Pupil management and safety policies include the following (see rule 3301-83-20 of the Ohio Administrative Code):

1. Students shall arrive at their bus stop 5 minutes before the bus is scheduled to arrive. If a driver arrives at a stop ahead of a scheduled pick-up time, the driver will wait until the scheduled pickup time, however the driver will not be expected to wait for late arrivals.
2. Students must wait in a location clear of traffic, away from where the bus stops, and wait for the driver's signal before approaching the bus. (The driver will designate a "place of safety", at the bus stop that each student is required to use. The "place of safety" will be at least 20 steps or more away from the bus. When getting off at the bus stop, students must return to the "designated place of safety" and remain in this area until the bus departs)
3. Behavior at the school bus stop and on the bus must not threaten life, limb or property of any individual.
4. Students must go directly to an available or assigned seat so that the bus may safely resume motion.
5. Students must remain seated in a manner that keeps aisles and exits clear.
6. Students must observe conduct similar to what is expected in a classroom and obey the driver promptly and respectfully. This also means that noise levels should be kept reasonable, so as not to distract the driver.
7. The use of profane language, gestures, remarks or signs is prohibited. This includes the broadcasting of such with personal devices.
8. Students must refrain from eating and drinking on the bus except as required for medical reasons.
9. Students must not use tobacco on the bus. This includes "vaping" and e-cigarettes.
10. Students must not have alcohol or drugs in their possession on the bus except for prescription medication required and prescribed specifically for that student.
11. Students must not throw or pass objects on, from or into the bus.
12. In general, students may only carry on the bus objects that can be held in their lap. Large repeat-use, curriculum-based or school equipment, (example, musical instruments) will be allowed on a bus only with prior request and on a case-by-case basis. One-time school projects do NOT fit this exception.
13. Students must leave or board the bus at locations to which they have been assigned unless they have parental and administrative authorization to do otherwise.
14. Students must not put their head or arms out of the bus windows.

15. Animals are not allowed on the bus, except trained service animals.

PENALTIES FOR INFRACTIONS

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and may be deprived of the privilege of riding on the bus. The Board of Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student is reported to have misbehaved on a bus and his/her actions were recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. Since these tapes are considered part of a student's record, they can be viewed only in accordance with Federal law.

The driver will report misconduct in writing to the principal. Violation of the rules will generally result in the following consequences:

- ***Minimum: Warning***
- ***Maximum: Removal from the bus for the grading period, semester or remainder of the year***

Extreme offenses may result in removal from the bus, school suspension or expulsion even if on the 1st offense.

PARENTAL TRANSPORTATION TO SCHOOL

Parents transporting their child to school are asked to drop them off and pick them up in the car loop in front of the building. Please follow the signs and directions from staff members to ensure the safety of all students and other drivers. Buses will be loading and unloading at the back of the building (event entrance). Parents are able to drop off students to the cafeteria doors as early as 6:45am.

SECTION 6 - STUDENT CONDUCT

ATTENDANCE

It is the belief of the Canal Winchester Local School that all students are expected to have regular attendance. Students are encouraged to make appointments, do personal errands, etc., outside of school hours.

State law specifically requires that every child up to the age of 18 must attend school. Absences are either classified as excused or unexcused.

In compliance with the Ohio Missing Child Law of the State of Ohio, all parents are required to notify the school office each day of a student's absence by calling the school of attendance or by sending a written statement of the cause of such absence. If a parent does not report a child's absence, the school is required to contact parents regarding the absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

As noted in the Ohio Administrative Code, the Board of Education considers the following as reason for an excused absence from school:

The Board considers the following factors to be reasonable excuses for time missed at school:

1. Illness (a doctor's excuse may be required)

2. Illness in the immediate family that necessitates the presence of the child
3. Death of a relative
4. Observation of religious holidays consistent with his/her religious beliefs (notification confirmation must be submitted at least one day prior to the absence)
5. Medical or dental appointment (usually a partial day)
6. Quarantine for contagious disease (as verified by a medical professional)
7. College visitation
8. Emergency circumstances (e.g. court appearance, required meeting with social services agency, student required to travel with parent)
9. Absences due to a student's placement in foster care or changes in foster care placement or any court proceedings related to their foster care status
10. Absences due to circumstances impacted by homelessness

Students participating in District approved out-of-state travel (up to a maximum of twenty-four (24) consecutive instructional hours) may participate in a District-approved enrichment program or be required to complete extra activities.

Canal Winchester Middle School also recognizes the following:

- College visitation (See guidelines)
- Polling location volunteer
- Prearranged family vacations (See guidelines)
- Special administrative permission (not to exceed more than two times/year)
- Special circumstances due to the absence of parents or guardians
- Court appointment
- Pre-arranged and approved "Take a Child to Work" (treated as Family Vacation)
- Hunting may be excused if it is a prearranged family vacation. Students absent from school due to vacation may not participate or attend extracurricular activities.

EXCUSED ACTIVITIES

The following set of guidelines defines the absences listed below:

- **Fairfield County Fair** [Off Site Curricular Activity]
Student's name must be included on the list sent from the Fair Commission or 4 H Advisor
- **Athletic OHSAA or State Sponsored Tournaments.** [Field Trip] if attending with a coach. Excused Absence if attending independently with an approved note the day before and approval from an administrator.

Career Development Events [Off Site Curricular Activity]

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

FAMILY VACATION

Vacation days are noted in the annual school calendar. It is the expectation of the Board that families do everything possible to plan their vacations during these times.

Administration will only approve up to five total vacation days for the school year per student. These absences will count towards total parent/guardian excused call in absences for the year. A student going on vacation with parents during school time must COMPLETE A VACATION FORM (OBTAINED IN THE OFFICE OR ON THE DISTRICT WEBSITE) AND RETURN IT TO THE OFFICE AT LEAST ONE (1) WEEK PRIOR TO VACATION. Please refer to the make up work procedure(s) for homework guidelines.

Projects, special assignments due during vacation must be turned in prior to leaving for vacation.

EARLY DISMISSAL

Once a student gets to school, he/she is expected to stay the entire day or until that student is dismissed. Each student leaving school property during school hours will be required to have written communication from the parent or guardian. Please note that for security purposes, student will NOT be dismissed to parents following school events held during the regular school day. Parents wanting to take their child out of school early must follow the regular sign out procedures. Any student leaving early will be counted absent for that portion of the day.

ILLNESS DURING SCHOOL

If a student becomes ill during the school day, he/she will be sent to the clinic. Office personnel will follow health procedures set forth by the school nurse to determine if a child should return to class or be sent home. If it is deemed necessary for a child to leave school, a parent or guardian will be contacted to come to the school to pick up their child. The parent or guardian will need to sign their child out in the school office. Children need to be fever-free for 24 hours prior to returning to school. Students are not permitted to stay in the clinic during the school day. If a child is sent home sick during the school day, they are not permitted to attend or participate in any after school activities (sports practices / games, rehearsals, meetings, events, etc...)

REQUIRED PHYSICIAN'S DOCUMENTATION

Because of the wide variety of reasons for a student's absence from school, the validity of an absence will be determined by the administration in each individual case. When a student reaches thirty (30) hours of unexcused or excused absences, a reminder letter will be sent home to the parent reviewing the attendance policy. After a student reaches sixty-five (65) hours of unexcused or excused absences in a year or thirty-eight (38) hours of unexcused or excused absences in a month, a physician's note will be required for medical verification in order for the absence to be excused.

Please note: medical verification means that a physician has treated an illness or injury and has verified to the attendance office that because of the illness or injury, the student was unable to attend school. Official medical notification (which includes the physician's name, phone number, and specific dates of illness to be excused from school) must be submitted to the attendance office upon the student's return to school within two (2) days following the absence.

HABITUAL ABSENCES

Students have an obligation to attend school regularly and to abide by the rules and regulations of the Canal Winchester Local School District and the State of Ohio. Questions or concerns regarding truancy can be sent CWLS Truancy Officer Ashley Harrington at aharrington@cwls.us.

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year. Excessive absenteeism shall be addressed with preventative strategies and alternatives to suspension or expulsion. A student cannot be suspended or expelled for violation of this policy.

The following procedures have been developed to address a student's attendance when there is a concern for truancy:

1. At thirty (30) hours of unexcused or excused absences, a letter will be sent home to the parent reviewing the attendance policy.
2. Between thirty (30) and seventy-two (72) hours of unexcused or excused absences, the school will utilize interventions to assist with improving school attendance.
3. At thirty (30) or more consecutive hours, forty-two (42) or more in one school month, or seventy-two (72) hours of unexcused absences in one school year, the school must refer the student to an Absence Intervention Team to create an individualized intervention plan within 7 days of the triggering event. Within fourteen (14) school days after the assignment, the team must develop an intervention plan for the student in an effort to reduce or eliminate further absences. This plan will be monitored by the team and modified as needed.
 1. The school is required to make three (3) attempts, in good faith, to engage the parent in the development and participation of the attendance intervention plan. If the parent fails to respond to the district's attempts to include them in the development of the plan, the district may report the parent to Child Protective Services.
 2. If a student/family does not participate in the development of the plan, a copy will be mailed to the parent/guardian and the plan will be implemented.
 3. Within seven (7) days after the development of the plan, the school district or school shall make reasonable efforts to provide the student's parent, guardian, custodian, guardian ad litem, or temporary custodian with written notice of the plan.
4. If the student reaches thirty (30) consecutive hours or forty-two (42) hours in 30 days of absences after the implementation of the absence intervention plan, the attendance officer will conduct an informal hearing.
5. If the student does not adhere to the plan or the plan is not successful and s/he continues to exhibit poor attendance, the district will formally refer the case to the county prosecutor and with Child Protective Services

Note: A student cannot be suspended or expelled for violation of the attendance policy.

MEMBERSHIP OF THE ATTENDANCE INTERVENTION TEAM

The team may vary based on the needs of the student, but must include:

1. a representative of the district or school;
2. another school representative who knows the student;
3. the student's parents or designee (release of records for consent must be completed), guardian or temporary custodian;
4. may include a school psychologist, school counselor, social work, or a representative from a county agency designed to assist families with reducing absences.

FILING OF TRUANCY

The attendance officer shall file a truancy complaint with the county prosecutor against a student on the sixty-first (61) day of unexcused or excused absences after the implementation of an absence intervention plan or other intervention strategies, provided that all of the following apply subject to divisions (B)(2) and (3) of 3321.16 of the Ohio Revised Code.

1. The student was absent without a legitimate excuse from the public school the child is supposed to attend for thirty (30) or more consecutive hours, forty-two (42) or more hours in one school month, or seventy-two (72) or more hours in a school year.
2. The school district or school has made meaningful attempts to re-engage the student through the absence intervention plan, other intervention strategies, and any offered alternatives to adjudication described under division (C)(2)(b) of section 3321.191 of the Ohio Revised Code.
3. The District's attendance officer has scheduled and attempted to meet with the student and parent to conduct an informal hearing.
4. The student has refused to participate in or failed to make satisfactory progress on the plan, as determined by the absence intervention team, or any offered intervention strategies or alternative to adjudication.

An exception to the sixty-one (61) day requirement to file would be the student missing 30 consecutive hours or 42 hours in a month without a legitimate excuse after the implementation phase of the plan.

The Board authorizes the Superintendent/designee to inform the student and his/her parents, guardian, or custodian of the record of excessive absences as well as the District's intent to notify the Registrar of Motor Vehicles, if appropriate, and the Judge of the Juvenile Court of the student's excessive absences.

EXTENDING OR DELAYING THE ATTENDANCE INTERVENTION PLAN

The district may extend the implementation of the plan and the filing of a complaint if the days leading up to the 61st day after the plan's implementation goes into the summer break. Furthermore, if a student becomes truant within 21 school days prior to the last day of the school year, the district may delay the time period to convene the absence intervention process until the start of the new school year in order to accommodate the summer months.

TARDINESS TO SCHOOL

A student is expected to be on time and in attendance every day. The time missed for tardiness will accumulate towards hours that will trigger truancy events. All tardies due to doctor's, dentist's, orthodontist's, or court appointments, must have official documentation from that office.

Any student late to school must report to the middle school office and sign in

A tardy to school is defined as a student showing up to school after the start bell through the end of first period. A student is expected to be in the classroom by the starting bell. On a normal school day, the starting bell rings at 7:15am.

Continual tardiness to school will result in disciplinary action. This is based on per nine weeks.

Additionally, students will not be permitted to make up work for any unexcused tardy.

1st Tardy – 3rd Tardy Free (No Discipline)

4th – Parent Notification

5th - Lunch Detention

7th - Lunch Detention

9th - After School Detention

11th - After School Detention

13th –Alternative Learning Center

Please use PowerSchool to view attendance statistics for the school year.

Any student who leaves school during the scheduled school day will be assigned an early dismissal for attendance purposes.

The school year shall begin on the first day of July of each calendar year and close on the thirtieth day of June of the succeeding calendar year. A school week shall consist of five days, and a school month of four school weeks. Ohio Revised Code 3313.63

STUDENT ABSENCES WILL BE DETERMINED BY THE FOLLOWING GUIDELINES:

Students who arrive at school after 7:15am will be considered tardy. Students arriving after the end of first period will be counted as a half. An early dismissal will be constituted as any student who leaves during the last period of the day.

MAKE UP WORK

Each student who is excusably absent from school is responsible for arranging make-up work with his/her teacher. The student will be granted one day per each day of absence for work that was assigned during his/her absence. Work must be handed in on time. If projects or long-term assignments are due during the period of a prearranged absence, the student will be required to turn in the assignment prior to the absence. If a student's absence is not prearranged, he/she must submit the assignment upon return of their absence.

Any work assigned before the day of his/her absence will still be due on its original due date.

If a student is going to be absent for an extended time due to an illness, more than two days, please check the teacher's online system (Powerschool, Google Classroom, Canvas) for any work that may be posted there. Parents/Guardians may also email the teachers directly for assignments that may not be listed online.

BOARD OF EDUCATION POSITION ON STUDENT CONDUCT

Respect for law and for those persons in authority shall be **expected** of all students. This includes conformity to school rules as well as general provisions of law affecting students. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community.

Respect for real and personal property; pride in one's work; achievement within the range of one's ability and display of personal standards of courtesy, decency, and honesty shall be maintained in the schools of the District.

The Board of Education acknowledges that conduct is closely related to learning. An effective instructional program requires an orderly school environment and the effectiveness of the educational program is, in part, reflected in the behavior of students.

The Board believes that the best discipline is self-imposed and that students learn to assume responsibility for their own behavior and the consequences of their actions. Student conduct shall be governed by the rules and provisions of the Student Code of Conduct. Electronic monitoring devices may be located in various parts of the building that may record and be used in disciplinary action. The Board shall require each student of this District to adhere to the Code of Conduct developed by the administration and to submit to such disciplinary measures as are appropriately assigned for infraction of those rules. Such rules shall require that students:

1. conform to reasonable standards of socially acceptable behavior;
2. respect the person and property;
3. preserve the degree of order necessary to the educational program in which they are engaged;
4. respect the rights of others; and
5. obey constituted authority and respond to those who hold that authority.

Harassment, intimidation, or bullying behavior by any student/school personnel in the Canal Winchester Local School District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying and cyber-bullying", in accordance with House Bill 276, means any intentional written, verbal, graphic or physical act including electronically transmitted acts i.e., internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate (cyber-bullying). Such behaviors are prohibited on or immediately adjacent to school grounds, at any school sponsored activity, or on school provided transportation that a reasonable person under the circumstances should know will have the effect of:

A. Causing mental or physical harm to the other student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of student' personal property; and

B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

Therefore, if a student does damage to or loses school property, the student or his/her parents will be required to pay for the replacement or damage. If the damage or loss was intentional, the student will also be subject to discipline according to the Student Discipline Code.

DRESS AND GROOMING

DRESS CODE

Canal Winchester Middle School expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the district's intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, socio-economic status, or body type/size. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and should be explained within this dress code.

Basic Principle: Certain body parts must be covered for all students at all times.

Clothes must be worn in a way such that students are fully covered with non-see-through fabric. All items listed in the "must wear" and "may wear" categories below must meet this basic principle.

Students Must Wear, while following the basic principle of Section 1 above:

- A **shirt** with fabric that covers the torso/midriff in the front, back, on the sides, and under the arms
- **Pants/jeans or the equivalent** (a skirt, sweatpants, leggings, dress, or shorts of a reasonable length), **AND**
- **Shoes.** Specific shoes may be required for certain classes for health and safety purposes (PE, science labs, etc.) Slippers are not appropriate.

Students May Wear:

- Head Coverings for religious, cultural or medical purposes. Head coverings must allow the face to be visible to staff and not obscure the face or ears (except for religious, cultural or medical reasons), and not interfere with the line of sight of any student or staff.
- Fitted pants, including non see-through fabric leggings, or leggings with see-through panels, yoga pants and “skinny jeans” as long as underwear and buttocks are not exposed.
- Ripped jeans, as long as underwear and buttocks are not exposed.
- Pajama Pants.
- Athletic attire.
- Waistbands on undergarments or straps on undergarments should not be visible.
- Sunglasses outdoors only

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes to provide adequate safety measures (i.e., safety glasses in Science). Students are not permitted to wear school athletic uniforms without the permission of their coach or the Athletic Director. Guidelines may also be adjusted to meet student health needs, to accommodate for religious obligations (observances) as well as other special circumstances as authorized by site administration.

Students Cannot Wear:

- Violent language or images, including gang-related attire.
- Images or language depicting drugs or alcohol (or any illegal item or activity).
- Tank tops, spaghetti straps, or halter tops without something worn over it that covers shoulders and stomach made of non-see through fabric
- Hate speech, profanity, pornography.
- Language or images that create a hostile or intimidating environment or have been used historically to oppress any protected class or consistently marginalized group.
- Any clothing that reveals visible undergarments (Sheer tops or bottoms).
- Strapless tops, strapless dresses or tube tops.
- Swimsuits
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face and ears (except as a religious observance).
- Sunglasses indoors (unless there is an authorized medical reason to wear indoors).

**There may be different expectations for certain special school-sponsored events, such as dances or promotions where strapless dresses may be allowed. The details of the dress code for special events will be communicated by each school site.*

Dress Code Enforcement

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently.

- Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
- If necessary, students' parents/guardians may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.
- If the student or parent/guardian cannot provide alternative clothing, the school will provide clean clothing items to the student to wear for the remainder of the day.
- Chronic/Non-Compliance may result in school consequences

Such items include, but are not limited to, explosives, mace, firearms, knives, razor blades, brass knuckles, or any object that can reasonably be considered a dangerous instrument. Look-alike weapons could include, but are not limited to, starter pistols, stun guns, or any other object indistinguishable from a weapon, may be considered a weapon or dangerous instrument. In addition, any student who creates panic by making statements about the possibility of a weapon in school may be disciplined per this rule.

Additionally, Section 2923.122 of the ORC makes it a felony for any person to knowingly convey, attempt to convey, or possess any deadly weapon or dangerous ordinance onto or on any property owned by, or controlled by, or to any property actively held under the auspices of a school.

It will make no difference whether or not the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student’s possession without his/her knowledge. If it can be confirmed that a weapon was brought on District property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

5. Use of an object as a weapon

A police report will be filed and criminal charges may be brought against the student(s) involved in the incident.

7. Knowledge of dangerous weapons or threats of violence

No student shall direct to a school employee or employee's family member(s) words or phrases which are considered to be slanderous, degrading in nature, threatening, obscene or profane as defined by the majority of our society. No student shall take part in any sexual activity while on the school grounds, or in any school vehicle, or at any other school facility.

17. Acts of Disrespect/Insubordination to a Staff Member or School Employee

No student shall be disrespectful or insubordinate to any teacher, student teacher, substitute teacher, principal, or authorized personnel. School staff is acting “in loco parentis”, which means that the school staff is allowed, by law, to direct a student as a parent would. This applies to all staff, not just teachers assigned to a student.

In the event of a student physical confrontation, any student who **does not fight back will not be subject to suspension for physical abuse**. Those students who are physically abused should report the incident to the middle school principal or any other faculty member immediately.

Students are advised to move away from the area of the disturbance, send someone for an adult, and do not get in the way of an administrator or faculty member who is trying to break up the confrontation.

Standing around, standing on tables, standing in aisles so as to hinder school officials, refusal to leave the scene when asked to do so and recording the fight on an electronic device are all considered a violation of the “no physical abuse” policy. These conditions constitute the offense “party to an affray” and are subject to the same disciplinary action. Students who are found to have instigated a fight but are not actively involved, that is, students who carry rumors, put others up to fighting, carry information back and forth between other individuals who subsequently fight, or record and/or post recordings of fights submit themselves to the same penalties as those who are actively involved in the fight.

In summary, fighting will not be tolerated on school grounds, on any school transportation vehicle, or at any school-sanctioned event. Students who physically attack or assault another student without provocation may be suspended out of school.

19. Hazing Another Student or Students

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy. (Board Policy 5516; R.C. 2307.44, 2903.31)

PART IV:

Any violation of the following rules may result in the assignment of a three-day out of school suspension. The consequence could double for offenses of the same nature, depending on the severity of the offense. Repeated offenses may result in a 10-day out of school suspension. A recommendation for an expulsion may occur at any time for Major Offense Violations.

This includes any speech or action that creates a hostile, intimidating, or offensive learning environment. Conduct constituting harassment may take different forms, including but not limited to the following:
