
Installing or Updating the Skyward Mobile App

In addition to Edmonds School District moving to the new Skyward Qmlativ software system, Skyward released a new version of its Skyward Mobile Access app. This document will guide you through setting up the app.

Note for New Families: To set up the Skyward mobile, your student must be enrolled completely. You will receive an email notice with instruction on how to set up your account. If you have questions, contact your student's school office.

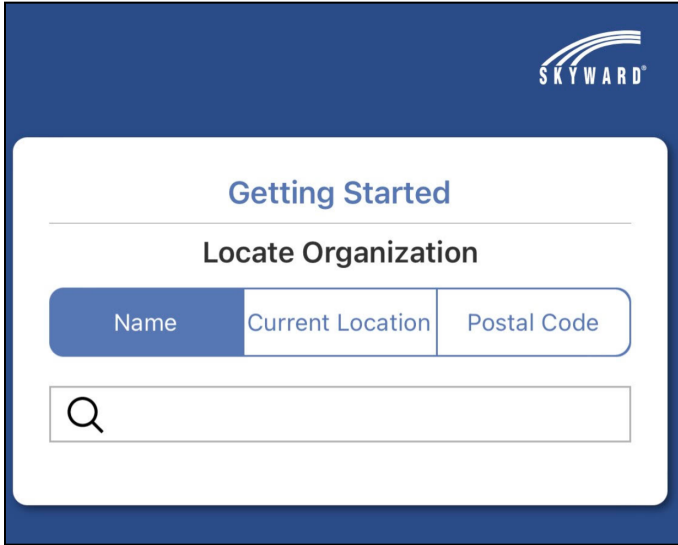

To install or update the mobile app:

1. Download or update the app, "Skyward Mobile Access," from your mobile device's app store, such as Apple's App Store or Google's Play Store.

2. Open the Skyward app on your mobile device.

3. From the “Getting Started” screen, select **Name**.

SKYWARD

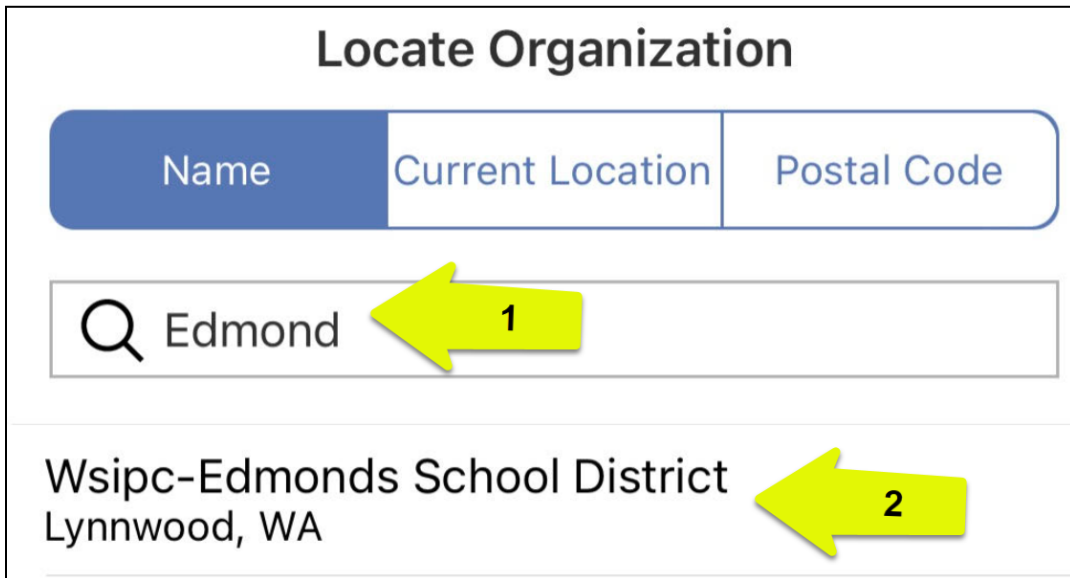

Getting Started

Locate Organization

Name Current Location Postal Code

Q

4. Next to the magnifying glass icon , type, “Edmonds,” and select, “WSIPC - Edmonds School District.”

Locate Organization

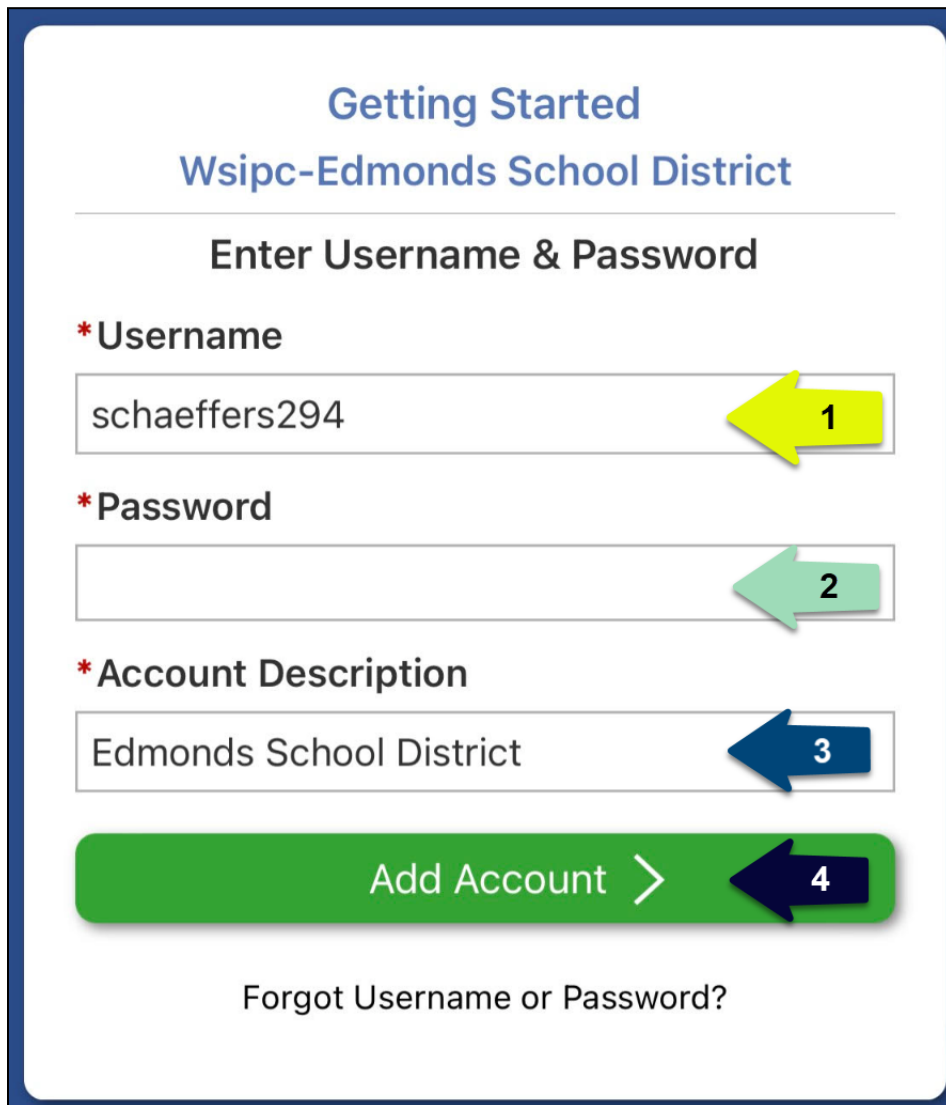

Name Current Location Postal Code

Q Edmond 1

Wspic-Edmonds School District
Lynnwood, WA 2

5. Do the following:

1. **Username**- Type your Skyward username.
2. **Password** - Type the password related to your Skyward username.
3. **Account Description** - A description is automatically added. However, you can type a different description, such as, “Edmonds School District” (Recommended if you have Skyward accounts with multiple school districts).
