Private ACT Tutoring provides 1-on-1 review and instruction tailored to an individual student's needs. Instructors expert in their respective fields handle the different subject areas of the ACT. Subjects for the ACT are: English, Math, Reading, Science or Writing. Tutoring sessions generally start 4-6 weeks prior to the exam date. You have four options for registration: - 1 Subject (4 one-hour tutoring sessions in 1 subject) - 2 Subjects (8 sessions) - 3 Subjects (12 sessions) - 4 Subjects (16 sessions) Deciding on the number of ACT Private Tutoring sessions is based upon many factors. We recommend to most of our families to sign up for 4 subjects/16 sessions (4 sessions in each subject) to maximize potential to achieve a student's goal. If your student has taken the Comprehensive Prep Course with us, or is very strong in a specific subject (high 30's), then all subject areas may not need to be addressed. After your registration is completed with Edina Community Ed, you will receive a confirmation email. Inside you'll be asked to fill out a form with more information. After this is completed, you will be contacted via email to set up your child's tutoring sessions. In Person Sessions are also available.
