Title

SY2023-24 Proposed School Fund-Raising Activities List

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of Authorized School Fund-Raising Activities for SY2023-24

Summary Explanation and Background

Cherokee County School District Policy regarding Solicitations (JK) requires all school-sponsored and/or student participation in fund-raising activities to be approved in advance by the School Board and to conform to the Policies of the State Board of Education. As such, the Superintendent and staff have developed the attached inclusive list of annual fund-raising projects and activities to be pre-authorized by the School Board for SY2023-24.

School Principals utilizing fund-raising projects and activities from the attached list, after the School Board's subsequent approval, will be able to request and receive more timely approval for such projects directly from the Office of Financial Management. All newly-introduced fund-raisers or sales projects involving student participation which are not included on the attached Board-approved list will be submitted to the School Board for approval, as specified in School Board Policy (JK).
