The Glen Cove Board of Education shapes policy and oversees the educational program for the Glen Cove public school system. It is comprised of seven trustees who must be registered voters and have lived in Glen Cove for at least one year. Terms of office are staggered so that each year at least one board seat comes up for election. Effective 2022-2023, a student member of the Board also serves as a non-voting member.

Regular meetings, which offer a forum for citizens to address school issues, usually begin at 7:30 p.m. during the school year unless otherwise noted. Please check our website for the most up-to-date times and locations of each meeting.

## A MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

Dear Glen Cove Community,

As summer comes to an end, we eagerly anticipate the start of a new school year. It's always thrilling to see our hallways filled with the energy and enthusiasm that a fresh academic year brings.

Education is vital to our community and the future it holds. I've witnessed the dedication of our staff and community as they work together to provide care and support for our students throughout their educational journey. We remain committed to ensuring that every child receives an equitable education, knowing that they thrive best when learning alongside their teachers, staff, and peers. By maintaining strong leadership, a safe environment, clear objectives, high expectations, and ongoing assessment, we lay a solid foundation for our students' future success.

As a district, we promote responsible citizenship by reinforcing values and celebrating our diverse community. We look forward to collaborating with parents to uphold school expectations and kindly request that you review our code of conduct with your children.

Our staff is dedicated to continuous learning and growth, enabling them to connect with our students in innovative ways and cater to their varied academic and social-emotional needs.

We are excited to keep you informed about the latest updates of our ongoing construction projects. Please visit our Facilities page on our website for details about the construction progress and timelines.

## SCHOOL DISTRICT BUDGET

A public vote on the budget will be held Tuesday, May 21, 2024. Residents are welcome to comment and offer suggestions on budget matters at regular Board meetings throughout the year.

Un voto publico sobre el presupuesto se llevara a cabo el dia martes 21 de mayo, 2024. Los miembros de la comunidad son bienvenidos a comentar y ofrecer sugerencias acerca de asuntos relacionados con el presupuesto en reuniones regulares del Consejo.

## EMERGENCY CLOSING OF SCHOOLS

When severe weather conditions or an emergency require the closing of schools, information about school closings or delayed openings will be posted on the district website and will be telephoned through the School Messenger system at approximately 6:30 a.m. Additionally, notifications will be placed on CH12 News.

## DISTRICTWIDE OPERATIONS AND MAINTENANCE

The district has completed its triannual survey of all the buildings and continues its semiannual surveillance requirements under the regulations of AHERA. This, combined with the district's ongoing maintenance program, has produced a list of operation and maintenance repairs on a districtwide basis. A summary of these repairs is included in each building's management plan. Any individual may review a building's management plan by going to the school's main office and requesting it. Copies of all the schools' management plans are available for review at the district's central offices at 154 Dosoris Lane, Glen Cove, NY.

## ASBESTOS NOTIFICATION

In accordance with 40 CFR § 763.84.c, regard this statement as the district's annual notification to all workers, students and/or their legal guardians that the district continues to maintain its Asbestos Management Plan which documents all performed and planned asbestos-related inspections, response actions and post-response action activities, including periodic reinspection and surveillance activities within the school district. A copy of this AMP is available for your review and/or inspection at the district's facilities office and in the main office of each school building.

# General Information

## ELIGIBILITY FOR KINDERGARTEN

A child five years of age on or before December 1 is eligible to enter kindergarten in the fall of that year. Registration for kindergarten takes place the prior spring. At that time, parents must present proof of residency and a birth certificate or other acceptable legal proof of age. A physical and dental examination is also required. Proof of the examinations, plus information concerning dates of immunization and any communicable disease the child has had, must also be presented at that time to the school district health authority.

## FIRST-YEAR PRIMARY ADMISSION

1. A child six years of age on or before December 1 is eligible to enter first grade in the fall of that year. A child who turns six years of age after December 1 may be eligible for first grade if:
2. The child has attended and satisfactorily completed a full year's work at a registered nonpublic kindergarten;  
The child has attended an unregistered nonpublic kindergarten, and:
  - Glen Cove School officials determine that the kindergarten attended provided a substantially equivalent instruction to that child as in a registered or public kindergarten. (Equivalency will be determined using the regulations of the commissioner for registration of nonpublic schools and kindergartens.)
  - The child satisfactorily completes a selection of tests chosen by school authorities.
  - The child demonstrates the physical, social and emotional maturity necessary for first-year primary success.

## TRANSPORTATION

Transportation to and from the Glen Cove Schools is provided for all children in kindergarten through grade 5 and to students in grades 6 through 12, who live more than one mile from the school they attend (as measured over the shortest available route). In compliance with New York State law, the district provides equal transportation services for Glen Cove children in grades K through 12 attending nonpublic schools up to 15 miles from their homes.

Please note: The deadline for submitting an application for transportation to nonpublic schools is on or before April 1, 2024 for the 2024-2025 school year. Although distances are measured from the student's home to the school, the law does not require a school bus to pick up a student at his or her front door. In most cases, students are required to walk to bus stops designated and approved by the Glen Cove Board of Education. For further information about the district's transportation policy, contact District Transportation at 516-801-7075.

## SPECIAL EDUCATION

The Glen Cove School District runs a comprehensive special education program meeting the specific needs of students from primary grades up to age 21, with a full continuum of services to address the individual needs of the student identified with disabilities. For specific information, please visit our website at [www.glencoveschools.org](http://www.glencoveschools.org) or call 516-801-7050.

## FOOD SERVICES

The Glen Cove School District offers a comprehensive meal program, including breakfast, lunch and free and reduced-price meals for those who qualify. For complete information, please visit our website at [www.glencoveschools.org](http://www.glencoveschools.org).

## ATTENDANCE

The state education law permits legal absence or tardiness for the following reasons only: sickness or death in family, impassable roads or weather making travel unsafe, religious observance, required presence in court. Parents are requested to advise the school by telephone early in the morning of the reason for a child's absence or lateness and to provide the student with a written excuse when they return to school.

## STUDENT HEALTH

All students must have documented proof of immunity in accordance with the New York State Department of Health, Public Health Law 2164, to be admitted to school on the first day. Immunization requirements can be found on our website at [www.glencoveschools.org](http://www.glencoveschools.org) under Families, Student Health.

## PARENTS' RIGHT TO KNOW

In accordance with the No Child Left Behind Act of 2001, the Glen Cove School District is required to notify parents of each student attending a Title I school that they may request information regarding the professional qualifications of their child's teacher(s) and paraprofessional staff. NCLB allows parents to ask for the following information about their child's classroom teacher(s):

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status, through which state qualifications or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications. Please contact the superintendent's office in writing if you require this information.

# General Information

## FAMILY EDUCATION RIGHTS AND PRIVACY ACT

The Family Education Rights and Privacy Act affords both parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the district receives a request for access.  
Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the Glen Cove School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on a special committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failure by the district to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C. 20202-2605.
