Throughout the tenure of the Fieldwork Experience, the iteachNEVADA supervisor will consult and work in tandem with the SCHOOL and SCHOOL Administration to discuss the candidate's strengths, opportunities for coaching, as well as any issues of concern. Any matters that conflict with the policies of iteachNEVADA, the SCHOOL, or the DISTRICT will immediately be reported to the Western Director of iteach.

All supervisors are trained by iteach staff and all paperwork (i.e. proof of license, vitae) will be collected and verified by iteach as a measure of our CAEP accreditations. RE: Request to be added to the March 2 Board Agenda

Purpose: To obtain permission from the Board to take an out -of - state field trip with some of our students with disabilities.

- -In cooperation with Disabled Sports Eastern Sierra located at Mammoth Mountain, we have been asked to return one more time this year to complete the year on **March 14th** and to make up for the trip that was missed during the shut-down. This trip is a great opportunity for our students to really complete the training that they have worked so hard for. We even have one student, who after several attempts, finally made 2 trips down the hill. These are huge accomplishments for our students.

Disabled Sports provides opportunities for our students to participate in activities that they would normally be unable to do, or have access to. Disabled Sports provides the equipment, lessons, lift tickets, and all of the additional aides and teachers necessary for our students. The staff at Disabled Sports have been specially trained to work with these students.

-The cost involved is \$50.00 per person attending and lunch in Mammoth which will be paid with the funds that have been raised/donated for this purpose. The only cost to the District would be the cost of Transportation and letting Ann Kee come with us as she has been an integral part of this program.

-These trips provide learning opportunities for our students that don't occur in a classroom setting. They are also provided with an experience that they would not normally have living in Hawthorne. These are all life skills that our students will use as they transition into being adult with disabilities. It also provides great memories of their time at Mineral County High School.

Thank you for considering this.
