Dear Edmonds Preschool families,

We are excited to expand the Edmonds Preschool program with locations at Chase Lake and Lynndale elementary schools! These locations are in addition to our mainsite, Alderwood Early Childhood Center. We will provide two classrooms at each of the schools starting in September.

Over the next several weeks, we will work with Transportation to finalize which preschool students, **based upon currently enrolled students**, will attend the elementary school locations. We will thoughtfully and intentionally consider school bus travel time as well as new enrollments or withdrawals. **Students within the planned boundaries for Chase Lake and Lynndale may be moved to AECC based on actual enrollment in these areas as we get closer to the start of school.** Current planning for student attendance at both Chase Lake and Lynndale Elementary Schools is below:

Chase Lake Elementary

Within Chase Lake Elementary boundary west of Highway 99
Within Westgate Elementary boundary west of Highway 99
Within Sherwood Elementary boundary

Lynndale Elementary

Within Lynndale Elementary boundary west of Highway 99
Within Meadowdale Elementary boundary between 52nd Ave W and Highway 99
Within Beverly Elementary boundary

Alderwood Early Childhood Center

If you do not reside within the boundaries listed for Lynndale and Chase Lake above, at this time, your child will attend Alderwood Early Childhood Center.

Please know we are monitoring enrollments throughout the months of July and August to ensure we maintain capacity at Chase Lake and Lynndale for newly qualified students residing within these transportation zones. These assigned elementary school boundaries may need to be adjusted prior to the start of school.

Classroom/preschool teacher and IEP case manager assignments will be communicated in late August. The first day of preschool is Monday, September 18, 2023.

Please contact us with any questions or concerns. We look forward to welcoming your child to the 2023-24 school year!

Sincerely,
