

**The Westminster School District
Invites You to Attend the 2016...**

Special Education Parent Academy

When: **Mondays, March 7th-April 11th, 5:30-7:30 p.m.**
(No meeting will be held on 3/28 due to Spring Break)

Where: Land School, 15151 Temple St., Westminster

Presenters: Chapman University and the Center for Autism and
Neurodevelopmental Disorders

After attending this 5-part series, participants will:

- Learn evidence-based strategies and interventions for home and school for youth with Autism Spectrum and Neurodevelopmental Disorders.
- Understand mental health issues common in those with Autism Spectrum Disorders and provide resources.
- Be provided a common language and a format for allowing schools and families to communicate effectively.
- Form relationships and connections with other parents to share common experiences and strengthen the overall school community.

This series of sessions builds upon one another, so attendance at each session is important to your success and the success of the series.

Please plan to attend all five sessions.

**PARTICIPANTS WILL RECEIVE A BINDER TO ORGANIZE THEIR
CHILD'S RECORDS. REFRESHMENTS WILL BE PROVIDED!**

Translation services will be available at this meeting.

Child care will be available, if requested prior to the meeting date. To request child care, or for more information, please call Diane Hall, Special Education Parent Liaison, at 894-7344 ext. 2126.
