Dear Parents and Guardians:

All students can receive a free breakfast and lunch for the 2023-24 school year. While no application is required, it is vital to our programming that our families submit an Education Benefits Form to ensure the district receives all the state and federal funding we are entitled to through our participation in the Community Eligibility Provision (CEP).

Please take a moment to complete this form by [clicking here](#).

Why is Riverview Schools requesting financial information?

The information you provide impacts the funding amounts that will be made available to each school from the State of Michigan. Without this information, Riverview Schools could lose important funding for education programs that our students need. These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials)
- Non-instructional services (counseling, social work)
- Professional learning for staff
- Parent and community engagement
- Technology

How will this information be protected?

In keeping with district policy, submissions will be handled confidentially as required by the Family Education Rights and Privacy Act (FERPA).

Without your assistance, Riverview Schools cannot maximize the use of available state and federal funding to benefit all students. If you have any questions, please contact Jeff Edwards at 734-285-2087 ext. 3231.
