Hunter Station Pizza Receives Naming Rights

Sellersburg, August 10, 2023 --- The **Silver Creek School Corporation** and **Hunter Station Pizza** announce a new five-year partnership designating Hunter Station Pizza as the naming partner for the new Football/Soccer/Track Stadium, Softball Field, and Baseball Fields located at Silver Creek High School.

"We're thrilled to have Hunter Station Pizza on board as the naming partner for the new Silver Creek High School athletic fields, and we look forward to amplifying their commitment to the schools while helping them broaden their reach within our Silver Creek Dragon family," said Dr. Chad Briggs, Superintendent of the Silver Creek School Corporation. "Chris Fox and Nick Lawrence with Hunter Station Pizza have been great supporters of our students, staff, and programs, and SCSC looks forward to the future with this new partnership."

"We are super excited to partner with the Silver Creek School Corporation! This is an exciting time for Silver Creek as they debut their new athletic fields and school renovations but also for Hunter Station Pizza," said Nick Lawrence, Co-Owner of Hunter Station Pizza.

"We built Hunter Station Pizza with one vision in mind – to give back. Nick and I have been very fortunate in our life and are blessed to be able to give back. We wanted to build a local pizzeria in the Sellersburg community that would allow us to support our local schools and the community. And over the past year – we have done just that. We look forward to continuing our goal of helping our schools and community as much as we can," said Chris Fox, Co-Owner of Hunter Station Pizza.

As the school's Official Pizza Provider, Hunter Station Pizza will be available for fans to enjoy at Silver Creek High School games at branded concession stands throughout the athletic facilities. Join us on August 12th (Girls Soccer), August 16th (Boys Soccer), and August 18th (Football) as we kick off the season for these sports.

About Hunter Station Pizza

Hunter Station Pizza, based in Sellersburg, Indiana, was founded in 2021 by Chris Fox and Nick Lawrence. Hunter Station Pizza is a local pizzeria that offers great food, drinks, and an amazing sports bar environment with outdoor patio. To order online, visit www.hunterstationpizza.com.

About Silver Creek School Corporation

Silver Creek School Corporation was formed in 2020 and consists of four schools (Silver Creek Primary School, Silver Creek Elementary School, Silver Creek Middle School, and Silver Creek High School) and 3,070 students. Students and staff create a family-like environment where students excel academically and compete at the highest level in co-curricular and extra-curricular activities.
