

Dear Rushton Families,

As we gear up for another exciting school year, we want to extend our warmest welcome to you and your family. We hope you had an enjoyable summer break, and we are thrilled to have our students, parents, and staff back together again. Our school is more than just a place of learning; it's a community where we come together to support and nurture our children's growth and development.

We believe that a strong partnership between home and school is essential to the success of our students. One of the ways that we foster this partnership is through our Parent-Teacher Association. The PTA is an integral part of our school community, comprising parents, teachers, and staff who collaborate to create a positive and enriching educational experience for our students. Our primary objective is to provide our schools with funds, programs, resources, and services that will enrich and maximize the education of every child.

Here are just a few of the many ways our PTA contributes to the Rushton community:

- **Enrichment Programs:** We plan and fund a variety of enrichment programs at the school. The PTA organizes volunteers for classroom holiday parties and the Chat N Chew book club, hosts cultural arts contests for students, provides funds to offset the cost of field trips, helps to organize and pay for Field Day activities, and contributes money to pay off overdue lunch accounts for our families in need.
- **Community Building:** Our PTA events, including family fun nights, park meet-ups, fundraising events, restaurant nights, skate parties, and our Read Across America event provide opportunities for families to connect, build relationships, and create lasting memories.
- **Support for Teachers:** The PTA works closely with teachers to provide funds for classroom supplies, grants to enhance the teaching and learning experience, meals during conferences, breakroom snacks, and to treat our teachers during Teacher Appreciation Week.

By becoming a member of the Rushton PTA, you play a vital role in shaping your child's educational journey and contributing to the overall success of our school community. Here are a few reasons to consider joining:

- **Impact:** Your involvement directly impacts the quality of education and opportunities that we can offer our students.
- **Voice:** PTA Membership gives you a voice in important decisions affecting our school and allows you to collaborate with other parents and school staff.
- **Community:** Being part of the PTA provides opportunities to build meaningful relationships with other families and creates a sense of belonging.
- **Support:** Your membership dues and volunteer efforts directly support programs and initiatives that benefit Rushton students.

We invite you to join the Rushton PTA and be an active participant in your child's educational journey. Together, we can create a strong and vibrant school community that fosters excellence, inclusivity, and a love for learning. Please check back here weekly for more information about upcoming PTA meetings and events and follow us on Facebook for regular updates. If you have any questions, comments, or concerns, don't hesitate to contact us at the emails provided below.

Thank you so much for your continued support; we look forward to a fantastic school year!

Sincerely,

The Rushton Elementary PTA Executive Committee
