

Record of Board Proceedings (Minutes)

The Metcalfe County Board of Education met at 709 West Stockton Street on Tuesday, July 11, 2023, at 7:00 PM for a special called meeting which also served as the monthly meeting for the month of July 2023. The following members were present:

1) Joey Shive 2) Donnie Perry 3) John Caffee 4) Robin McMurtrey 5) Tim Brown

Present – Superintendent

Absent - Board Attorney

1) Call to Order

Chairman Joey Shive called the meeting to order. Donnie Perry led the invocation.

2) Recognition

None

*Board recognitions are sponsored by RBS Design Group, Glass & Thompson Insurance, and American Fidelity.

3) Superintendent Report

Superintendent Josh Hurt

- Welcome to Mr. Joseph Eaton, his first official meeting as principal of Metcalfe County High School.
- The roof on the high school is making progress. Crews are working on downspouts and gutters, etc. Expect it to be wrapped up before school starts. We are working on getting updated drone pics.
- Soil testing is taking place for new buildings and grounds projects. We are waiting on some drawings for the athletic complex ahead of starting the bid process.
- Elementary and middle school staffing for the new school year is good. Cafeteria and bus garage staffing is good. High school is close with just a few staffing positions to fill. Statewide staff turnover is approx. 21%. In Metcalfe that number is 7%. We are very pleased with the direction we are heading.
- ServPro came in to clean up some damage from recent storms. Everything is all good now.
- We are working on wrapping up the year financially and feel good about where we are. Our folks have a good balance on spending versus student need.
- 5D is a request from the Council for Better Education for \$1,200 to help protect public schools from losing taxpayer dollars to fund charter schools. The council is asking all 171 Kentucky public school districts to donate.
- 5E is asking for an assistant dance coach at the high school. Interest in the renewed program has been exceptional. So much so that more help is needed. If approved, the middle school dance coach position will now become the high school assistant dance coach position.

- 5F has to do with former MCHS principal Clint Graham, who is now working for the Kentucky Department of Education. This agenda item will allow us to pay his salary, and we will get 100% reimbursed from KDE. Reimbursement will be quarterly.
- 5G is for an emergency certification for a math teacher at the high school. The teacher is qualified for grades 5-9. If approved, the teacher will be allowed to teach at the high school while getting certified in upper-level math.

Robin McMurtrey: *GRREC may be able to assist financially in the math certification.*

Jamie Moss

- Busy getting ready for the new school year.

Michael Gill

- MCES Jr. Beta Club competed at the National Beta Convention in Louisville, Kentucky – Sponsors for MCES Jr. Beta are Nikki Jolly and Lindsey Thomas.
 - 1st Place in the nation in Portfolio – National Champions - Team members were Lilly Grissom and Rosalee Lunz.
 - 4th Place in the nation in Service Learning Showcase – Team members were Emily Profit, Raelynn Miller, and Rory Bragg.
 - 6th Place in the nation in Technology – Team members were Landon Blythe, Anthony Vanduy, and Jett Simpson.
 - 3rd Place in the nation in Convention Invention – Team members were Sam Grider, Raelynn Miller, Rosalee Lunz, and Emily Profit.
 - 4th Place in the nation in Beta Serves Louisville, National Service Project
 - MCES Jr. Beta students held a service project this year to collect school supplies for students in need in the Louisville area. MCES Jr. Beta students brought in and donated school supplies to this cause. A couple of Beta students delivered those supplies while they were at National Convention.
- Teachers and staff are enjoying their summer break from school.
- MCES just finished up 4 weeks of 21st Century Summer Camp on Friday, June 30th. Annie Smith and all of the 21st Century Staff did a wonderful job servicing about 70 students.

Joseph Eaton

- Governor's Scholar Program student attendance
 - Anna Grace Blythe
 - Cabot Boling
 - Colton Huffman
- Rogers Scholar attendance
 - Collin Shive
- Entrepreneurial Leadership Institute
 - Kyndal Deweese
- Educational Talent Search
 - Mary Coomer
 - Bailey Burkhart
- AP Scores are in, and MCHS is pleased with the results. There were improvements in those areas.

- Teachers have been and will be attending Project Based Learning professional development this Summer, and the feedback from that so far has been positive.

Josh Hurt: Not only did we have students pass the AP tests, we saw some 4s and a 5, which is a perfect score. We have many students doing great things this summer. Two of our band students are touring Europe right now.

Allen Trotter

- Finishing some end-of-year reports.
- Getting ready for teacher orientation, sub training, and SBDM training.
- Buildings are being cleaned and floors waxed.
- High school roof is coming along.
- We added a nurse who will assist our nurse practitioner, making four nurses for the district.

Jenny Stotts

- MCMS Beta had a successful meeting at Nationals. There were several Beta winners. Elyda Hicks is a national champion receiving first place for on-site drawing. She was asked to draw something that inspired her, and she drew Jesus. She also received 2nd place in drawing.
- 5th place in recyclables was given to Peyton Lawhon, and Cade Huffman received 7th place in mixed media.
- Very excited for the Rogers Explorers in their visits to schools across the state. Last month, Madelyn Grace Wright, Jalisa London, and Lily Blythe got to experience some great opportunities at Lindsey Wilson College. Currently, Lily Ann Horton and HarperAnn Hurt are visiting University of the Cumberlands. Excited for these students and what they are learning.
- On July 30, MCMS will have a leadership day with administrators and lead teachers to focus on some goals and objectives for the upcoming school year. Together they will develop a strategic plan for the school that will be the focus for the entire year.

Rachel Dial

- According to our screenings, preschool numbers for the new school year are about 70 to 75. We will have at least four classrooms, maybe five.
- We have some excess Title I money, which is being used to help our band, the Hornet News Network, and other similar programs in the district.

Cheyenne Garmon

- We closed FY23 today. All reports have been submitted to KDE with no errors. There may be some minor adjustments from the auditors.

Matt Shirley

- Annual coaches meeting was held yesterday.
- Football practice is officially underway.
- Sports Physicals will be held on July 20 at the high school.
- We are very excited about the new high school dance team. They have a lot of performances scheduled for football and basketball. Their presence will be felt throughout the year.

- Meet the Hornets is Aug. 4 after the football scrimmage with Russell County.
- We have purchased new speakers at the football field.

Torrie Osbon

- Updating Back to School events on our website and social media pages.
- Request for principals and coaches to update Google Calendar.
- App debut is coming soon.

Josh Hurt: *We are still a district with no school supply lists and no school fees.*

Robin McMurtrey: *When will teachers receive their school money to purchase supplies?*

Josh Hurt: *After the July SBDM council meetings, which should be soon.*

4) Consent Items
