Superintendent's Contract

The superintendent, upon appointment by the Board, will receive a written contract which will state the terms of employment such as compensation, benefits and other conditions. The initial contract shall not be issued for more than four years. The contract shall automatically expire at the end of its term. The Board may, however, elect to issue a subsequent contract for any duration.

The compensation and benefits for the position of superintendent will be fixed by the Board, based upon the responsibilities required of the superintendent in performing his/her duties.

Provisions for termination of the superintendent's employment, either by the Board or the superintendent, will also be set forth in the superintendent's employment contract.
