MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION

Successful Educational Transitions

WHAT IS THE COMPACT?

The Compact deals with the educational challenges of military children due to their frequent relocations. It allows for uniform treatment as military children transfer between school districts in member states.

Note: The Compact applies to public schools, and through a Memorandum of Agreement, to U.S. Department of Defense Education Activity (DODEA) schools located within states and foreign countries.

WHAT HAPPENS AFTER A STATE JOINS THE COMPACT?

Each state appoints representation to a governing commission responsible for enacting rules to implement the Compact. Each participating state also creates a state council based on the requirements of their state legislation.

HOW DO I LEARN MORE ABOUT THE COMPACT?

You should visit the Interstate Commission's website at ***www.mic3.net***.

Who do I contact in my state or school district to learn more about what is and is not covered in the Compact?

Contact your State Compact Commissioner. Contact information for each State Commissioner can be found at ***www.mic3.net/interactivemap/***

Is there a person at the military installation who can help me understand the Compact issues and requirements for local school districts?

Contact the School Liaison at your local installation. For a listing of School Liaisons in your area, visit the website at ***www.mic3.net/school-liaisons/***

What happens if the member state does not comply with the Compact?

The Compact provides a governance structure at both the state and national levels for enforcement and compliance.

Where is the Compact in terms of implementation at the national and state levels?

As of 2014, membership includes all fifty states and the District of Columbia. All states appoint State Commissioners, who lead State Councils and work with state officials and school districts on implementation. The National Commission meets annually each fall.
